

US ENVIRONMENTAL PROTECTION AGENCY
OFFICE OF PESTICIDES PROGRAMS
REGISTRATION DIVISION (75-767)
WASHINGTON, DC 20460

EPA REGISTRATION NO.

43922-5

DATE OF ISSUANCE

MAR 30 1994

TERM OF ISSUANCE

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

Roman Cleanser Bleach

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Chem-Bright Industries, Inc.
12336 Emerson Drive
Brighton, MI 48116

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

BEST AVAILABLE COPY

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the above named product subject to the comments recorded in the succeeding paragraph. This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Make the following labeling changes before you release the product for shipment:

1. Move or copy the ingredients statement to the front panel.
2. In the "Sickroom Equipment and Nursery" directions, change "5 minutes" to "10 minutes." (A 5-minute contact time for hard surfaces would require submittal of efficacy data.)

A stamped copy of the product label is enclosed for your records.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

Submit one copy of the final printed labeling before releasing the product in channels of trade with the revised labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

■ **Directions:** Roman Cleanser Bleach will safely bleach and clean whites and most color-fast fabrics including cotton, linen, nylon, dacron, orlon, polyester and other synthetics including permanent press. Do not use Roman Cleanser Bleach on silk, wool, leather, spandex or non fast colors.

LAUNDRY INSTRUCTIONS

■ **Stubborn stains:** Stubborn stains such as blood, wine, perspiration, grass, coffee and tea need to soak prior to washing. Pre-soak articles 5 to 30 minutes in 1/8 cup bleach per quart of cool, sudsy water. Rinse well or machine wash. For colored fabrics of garments that carry "Do Not Bleach" labels, test small area of fabric by applying (1 tablespoon bleach and 1-1/4 cup water) drop of test solution. Let stand 1 minute and blot dry. If there is no color change in fabric, the garment can be safely bleached.

■ **Sanitize:** Add specified amount of Roman Cleanser Bleach to rinse water in washer cycle and let clothes stand 15 to 30 minutes.

■ **Diaper Pre-soak:** Flush out soiled diapers, then soak in solution of 1/8 cup Roman Cleanser Bleach per 2 gallons water.

GlenBright Industries, Inc., 12338 Emerson Dr., Brighton, MI 48116

In case of spill, flood areas with large quantities of water. Product or rinsates that cannot be used should be diluted with water before disposal in a sanitary sewer. Do not reuse container but place in trash collection. Do not contaminate food or feed by storage, disposal or cleaning of equipment.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive, may cause severe skin and eye irritation of chemical burns to broken skin. Causes eye damage. Wear safety glasses or goggles and rubber gloves when handling this product. Wash after handling. Avoid breathing vapors. Vacate poorly ventilated areas as soon as possible. Do not return until strong odors have dissipated.

PHYSICAL OR CHEMICAL HAZARDS

STRONG OXIDIZING AGENT: Mix only with water according to label directions. Mixing this product with chemicals (e.g. ammonia, acids, detergents, etc.) or organic matter (e.g. urine, feces, etc.) will release chlorine gas which is irritating to eyes, lungs and mucous membranes.
