USE DIRECTIONS

The use of this product in food processing plants should be confined to time periods when the plant is not in operation. Foods should be removed or covered before treatment. Remove pets, birds, and cover fish aquariums before spraying. Thoroughly wash dishes and food handling utensils if contaminated by this spray.

To control Flies, Mosquitoes, Gnats and Flying Moths (Millers): Apply using a good space sprayer adjusted to deliver a fine mist. Close windows and doors and shut off ventilating systems. Direct spray toward upper portions of the enclosure, filling the atmosphere with mist. Use 2 to 3 ounces per 1000 cubic feet of space. For best results, keep area closed for at least 10 minutes. Vacate treated area and ventilate before reoccupying. Repeat treatment as necessary.

To control Silverfish, Crickets and House Spiders, spray thoroughly into hiding places particularly in cracks, crevices, moist areas, around openings for plumbing or wiring, under sinks, cabinets, stoves, refrigerators, and pallets. Spray insects directly whenever possible. Repeat treatment as necessary.

To control Ants, spray trails, nests and points of entry. Spray directly on ants whenever possible. Repeat treatment as necessary.

WARRANTY STATEMENT

Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is under way. After space spraying in food processing plants, wash with potable water all equipment, benches, shelving, etc., where exposed food will be handled. All food processing surfaces and utensils should be covered during treatment or thoroughly washed before use.

Remove pets and birds, and cover fish aquariums before spraying.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
