29 OCT 1986

TERM OF ISSUANCE

NOTICE OF PESTICIDE: REGISTRATION
 Reregistration
*(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)*

NAME OF PESTICIDE PRODUCT

HI CHLORIDE

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

W & B Brand, Inc.
1462 Edison Ave.
Chino, CA 91709

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration were submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence concerning this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the label accepted in connection with this Registration/Reregistration is returned herewith.

Registration is to be construed as an endorsement or approval of this product by this Agency. In order to protect the public interest, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide under the Act. The acceptance of any name in connection with the registration of a product under this Act shall not be construed as giving the registrant a right to exclusive use of the name or to its use, and has been reserved.

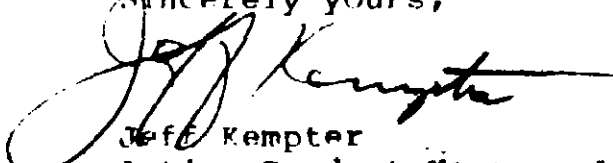

Registration is being issued in accordance with Section 3(c)(1)(5) of the FIFRA subject to the following conditions:

(1) It is understood that you will submit and/or site test data required for registration or re-registration of your product under Section 3(c)(1)(5) of the FIFRA when the Agency requires all registrants of similar products to submit such data.

(2) You will submit two copies of your finished printed labels complying with the requirements or revisions specified in the attachment to this registration notice. These labels must be submitted to the Agency before the product is released for shipment as required by PR Notice 82-2, of June 18, 1982.

A stamped copy of the draft label is enclosed for your records. Your release of the product for shipment constitutes acceptance of these conditions. If the conditions are not complied with, the registration will be subject to cancellation in accordance with Section 6(e) of the FIFRA.

Sincerely yours,

Jeff Kempter
Acting Product Manager #32

ATTACHMENT TO EPA REGISTRATION NOTICE

EPA Registration No. 43984-2 Date Issued 29 OCT 1986

Company Name B & B Brand, Inc.

Product Name HJ CHLOR A.S.

The following requirements or revisions apply to the label which was accepted with this registration notice:

1. The registration number which has been assigned to this product must appear on the label as EPA Reg. No. 43984-2. This registration is being issued with the understanding that the derivative of cyanuric acid which is contained in this product is under scrutiny for potential adverse effects to human. There may be some regulatory actions directed against all registered products containing this chemical as an active ingredient at some time in the future.
2. The labels which will be used for this product in channels of trade must reflect these revisions.
3. Two copies of the finished printed labels, as defined in the A-79 enclosure, must be submitted to the Agency before the product is released for shipment to comply with PR Notice 82-2 of June 18, 1982.
4. The finished printed labels must comply with the general labeling requirements of Section 162.10 of Title 40 of the Code of Federal Regulations. If the label does not satisfy these requirements it will be rejected.

STORAGE AND DISPOSAL:

Keep product dry in tightly closed container when not in use. Store in a cool, dry, well-ventilated area away from heat and open flame. Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance. Do not reuse empty container. Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. Dispose of drum in the same manner. **EMERGENCY HANDLING:** In case of contamination or decomposition of product, do not reseal container. If possible, isolate container in open and well-ventilated area. Flood with large volumes of water. Dispose of contaminated material in an approved landfill area or bury in a safe place.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

DANGER: Highly corrosive. Causes skin and eye damage. May be fatal if swallowed. Do not get in eyes, on skin, or on clothing. Do not handle with bare hands. Wear goggles or face shield, use rubber gloves, and use only thoroughly clean, dry utensils when handling. Irritating to nose or throat. Avoid breathing dust and fumes. Remove and wash contaminated clothing before reuse.

CHEMICAL HAZARDS:

Danger: Strong oxidizing agent. Use only clean, dry utensils. Contamination with moisture, dirt, organic matter or other chemicals (including pool chemicals) or any other foreign matter may start a chemical reaction with generation of heat, liberation of hazardous gases, and possible generation of fire or explosion. Avoid any contact with flaming or burning material, such as a lighted cigarette. HI CHLOR A.S. decomposes at 460° - 500°F. with liberation of heat and harmful gases. Do not use HI CHLOR A.S. in any chlorinating device which has been used with any inorganic or unstabilized chlorinating compounds (e.g. calcium hypochlorine). Such use may cause fire or explosion.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. Do not contaminate lakes, ponds, or streams by cleaning equipment or disposal of wastes.

HI CHLOR A.S. SANITIZER

Active Ingredient
Sodium Dichloro-s-triazinetriene Dihydrate 25%
Inert Ingredients 75%
Provides 13.8% available chlorine

**KEEP OUT OF REACH OF CHILDREN
DANGER**

FIRST AID (Practical treatment):
If Swallowed: Feed large amounts of milk or water and induce vomiting. Call a physician immediately.
If on Skin: Brush off excess chemical and flush skin with cold water for at least 15 minutes. If irritation persists, get medical attention.
If in Eyes: Flush with cold water for at least 15 minutes. Get medical attention.
If Inhaled: Remove person to fresh air. Get medical attention.

SEE ADDITIONAL PRECAUTIONS ON SIDE PANEL.

EPA Reg. No. 43984-2

HI CHLOR A.S. is recommended for use on hard (non-porous) surfaces or on dishes, glasses or food processing equipment or utensils, including dairy and brewery equipment and utensils.

DIRECTIONS FOR USE:

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Prepare a sanitizing solution by dissolving 1 oz. HI CHLOR A.S. per 10 gallons of water. This gives a solution containing 100 ppm available chlorine. Clean and rinse item or surface prior to sanitizing. Then place dishes, glasses, equipment or utensils in the solution or spread it over the surface to be sanitized. Let stand 2-5 minutes and then air dry.

The same solution should be used in the feed tank in immersion or spray type machines providing 2-5 minutes contact time for sanitizing dishes, glasses, food processing equipment and utensils. Clean and ~~rinse~~ **rinse** items prior to sanitizing. After sanitizing step dry. The items are then ready for use.

The sanitizing solution should be used promptly after mixing.
