GENERAL INFORMATION

FRANKS DC-1A is an effective anti-bacterial cleaner designed for use in household, industrial and institutional cleaning.
When used as directed, FRANKS DC-1A will disinfect hard non-porous surfaces such as floors, walls, counter tops, and fixtures.
It is also effective in deodorizing bathroom areas, animal quarters and other areas where obnoxious odors may develop.
This product may be used to control pathogenic fungi and as a general purpose anti-bacterial detergent in homes, schools, restaurants, hospitals, nursing homes, clubs, taverns and other places where efficient cleaning and antimicrobial action is desired.
