PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed; contact a physician immediately. May irritate nose, throat and skin. Do not smoke while using. Avoid contact with skin, eyes, or clothing. In case of eye contact, flush with water immediately. Wash skin thoroughly after use; **MAY BE ABSORBED THROUGH SKIN.** Keep children and pets off treated areas until this material is washed into the soil and grass is dry. Wash any contaminated clothing before reusing. Get medical attention if irritation of eyes or skin persists. Avoid contamination of food, feedstuffs and domestic water supplies. Do not treat vegetable gardens or other plants used for food purposes.

NOTE TO PHYSICIAN: Active ingredient is a cholinesterase inhibitor. Treat symptomatically. Atropine only by injection is an antidote.

Environmental Hazards

The product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. This product is highly toxic to bees exposed to direct treatment or residues on plants. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label. Protective information may be obtained from your Cooperative Agricultural Extension Service.

ACCEPTED

JUL 5 0 1981

Under the Federal Insecticide, Fungicide, and Herbicide Act, as amended, for the pesticide registered under EPA Reg. No. **44312-2**

LEISURE LAWN[®]
30-10-0 with .52% DURSBAN
and 1.9% SULFUR

GUARANTEED ANALYSIS

Total Nitrogen (N) 30%
3.9% Ammoniacal Nitrogen
24% Urea Nitrogen
6% Coated Slow Release Urea Nitrogen
Available Phosphoric Acid (P₂O₅) 10%
Sulfur (S) 1.9%

Primary Plant Food Sources: Diammonium Phosphate, Urea, Sulfur Coated Urea.
Potential Acidity Equivalent to 1320 lbs. of Calcium Carbonate per ton.

ACTIVE INGREDIENTS: Chlorpyrifos [0,0,-diethyl-0-(3,5,6-trichloro-2-pyridyl) phosphorothioate] 0.52%
INERT INGREDIENTS: 99.48%
TOTAL 100.00%

KEEP OUT OF REACH OF CHILDREN

CAUTION

Statement of Practical Treatment

IF SWALLOWED: Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger.
IF ON SKIN: Wash thoroughly with soap and warm water.
IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.

 Active Ingredient DURSBAN Manufactured by Dow Chemical Co.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Controls: Sod Webworms, Armyworms, Chinchbugs and Cutworms.

Apply Leisure Lawn 30-10-0 with Dursban uniformly to home lawns and other ornamental and recreational turf grass areas using any hand or power-operated rotary-type spreader designed for application of granular materials. Treat when insects first appear using Leisure Lawn 30-10-0 with Dursban at the rate of: 3.33 lbs. per 1,000 square feet, or the equivalent of .75 lbs. chlorpyrifos per acre. To help obtain uniform distribution, apply one-half the required amount of product in one direction; then apply the balance at a right angle. Immediately after application sprinkle the turf with 1,000 gallons of water per acre so as to wash the granules into the zone of insect infestation.

APPLICATION EQUIPMENT: Apply Leisure Lawn 30-10-0 with Dursban evenly over the turf area without skips or misses. Follow application rates carefully; do not overlap or over-apply. Over-application can weaken turfgrass during stress periods allowing fungus or insects to cause damage. Rotary-type spreaders should be used to apply Leisure Lawn 30-10-0 with Dursban. Calibrate applicators prior to use according to the manufacturer's directions. Check frequently to be sure equipment is working properly and distributing granules uniformly.

STORAGE AND DISPOSAL

Disposal: Do Not Reuse Empty Container. Wrap Container And Put in Trash Collection.

The manufacturer makes no warranties, express or implied, concerning this product or its use which extend beyond the description on the label. All statements made concerning this product apply only when used as directed.
