Flea Killer For Canines

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

DeVale, Inc.  
P.O. Box 2235  
Savannah, GA 31401

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The registrant is advised that the following information is a copy of the information submitted to the Agency for registration of this product.

1. Sample of the final printed labeling for registration (from central file of the Agency) is attached hereto (A-70) with the Agency registration number 44312-13. The registrant is advised that the Agency will register the product only if the final printed labeling is submitted.

2. The registrant is advised that the following information is a copy of the information submitted to the Agency for registration of this product.

a. Change "one month" to "two months."

b. Change "one month" to "two months."

c. Change "one ounce" to "two ounces."

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-70 enclosure for a further description of final printed labeling.

## PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Harmful if swallowed. Wash hands thoroughly after handling. May cause eye irritation. Avoid eye contact.

## STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in original container away from food and feed stuffs. Keep product in locked storage area.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary land fill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product without its labeling.

Flea Killer for carpets is designed for use with hotwater extraction (steam) carpet cleaning equipment with detergents. Will control fleas for four months.

Mix one 16 ounce bag of Flea Killer for Carpets with each five gallons of water. Clean carpet as directed by equipment manufacturer.

DO NOT clean carpet then treat for fleas. This will cause carpet to become soiled.

One 16 ounce bag of Flea Treatment for Carpets will treat approximately 80 to 120 square feet of carpet, depending on thickness of pile.
