**QUIK-KILL  
FLY & MOSQUITO SPRAY  
PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC ANIMALS  
CAUTION**

Harmful if swallowed or absorbed through skin. Avoid breathing vapors. Avoid contact with eyes, skin or clothing. In case of contact, immediately flush eyes and skin with plenty of water. Get medical attention, if irritation persists. Avoid contamination of food and food stuffs. Food should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product in these areas, apply only when the facility is not in operation. In hospitals, patients should be removed from room prior to treatment. Room should be ventilated for two hours after spraying. Do not return patients to room until after ventilation. Remove pets, birds, and cover fish aquariums before spraying.

**PHYSICAL OR CHEMICAL HAZARDS**

Contents Under Pressure. Do not use or store near open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting. Never throw container into fire or incinerator.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

For use in homes, bakeries, food plants, restaurants, schools, hotels, motels, office buildings, hospitals, and food handling plants.

**FOR HOUSEFLIES, MOSQUITOES AND GNATS:** Close all doors and windows. Point nozzle upward, direct the spray to all parts of the room, especially windows and other light sources which attract these insects. Fill the room with mist, then leave treated area. Keep the room closed for at least 15 minutes. Ventilate the room when treatment is completed.

**WASPS:** Application should be made in the late evening when insects are at rest. Spray liberally into hiding and breeding places, contacting as many insects as possible. Repeat as necessary.

**FOR CRAWLING INSECTS:** Roaches, earwigs, grain mites, sowbugs, spiders, fleas and centipedes: Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes and sinks, under refrigerators, baseboards, and storage areas. Spray directly on insects when possible. Repeat as necessary.

**ANTS:** Spray trails, nest and point of entry. Spray on ants when possible. Repeat as necessary.

**STORAGE AND DISPOSAL:** Do not use near heat or open flame. Do not reuse empty container. Wrap container and put in trash collection.

EPA Reg. No. 44446-11

EPA Est. No. 44446-TX-2

ITEM 433

# QUIK-KILL
