### **GERM AWAY** **FOAMING GERMICIDAL CLEANER**

This product has been specifically formulated for Homes, Nursing Homes, Hospitals, Institutions, Offices, Schools, Motels and Hotels. When used as directed, this product is formulated to disinfect inanimate hard surfaces (such as walls, sink tops, tables, chairs, telephones, bedrooms, shower stalls, bathtubs, hampers, cabinets and bed springs). In addition, this product deodorizes those areas which generally are hard to keep fresh smelling (such as garbage storage areas, empty garbage bins and cans, rest rooms, shower stalls and other areas which are prone to odors caused by micro-organisms).

When used as directed, this product demonstrates effective disinfection against *Staphylococcus aureus*, *Salmonella choleraesuis* and *Pseudomonas aeruginosa*, thus meeting requirements for hospital use. Efficacy tests have demonstrated that the product is an effective one-step cleaner-disinfectant in the presence of organic soil (5% bovine serum).

This product is fungicidal against Pathogenic fungi (*T. mentagrophytes*) when used as directed on hard surfaces found in the bathroom, shower stall and locker room, or other clean hard non-porous surfaces commonly contacted by bare feet.

**MOLD AND MILDEWSTAT** This product controls mold and mildew and the odors they cause on hard non-porous inanimate surfaces when used as directed.

#### **STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container. Wrap container and put in trash collection.

#### **DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**DISINFECTION, DEODORIZATION, AND CLEANING.** To disinfect hard non-porous surfaces (such as bathroom tiles, walls, fixtures, shower stalls, sinks, bathtubs, hampers, tables, and chairs) proceed as indicated below:

(1) Shake can before using. (2) Hold can to eight inches from surface to be treated. (3) Spray area until it is covered with a white foam. Allow foam to penetrate and remain wet for 10 minutes. No scrubbing necessary. (4) Wipe off with a clean cloth, mop or sponge. This product will not leave grit or soap scum. For heavily soiled areas, remove gross soil before treatment.

**MILDEWSTAT.** To control mold and mildew on pre-cleaned hard non-porous surfaces (such as floors, walls, table tops) spray surfaces to be treated, making sure to wet completely. Let air dry. Repeat application at weekly intervals or when mold growth reappears.

#### **PRECAUTIONARY STATEMENTS** **HAZARDS TO HUMANS & DOMESTIC ANIMALS** **WARNING**

Keep out of reach of children. Causes eye and skin irritation. Do not get in eyes, skin or on clothing. Harmful if swallowed. Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperature above 130° F. may cause bursting. Never throw container into fire or incinerator.

#### **STATEMENT OF PRACTICAL TREATMENT**

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink egg whites, goat's milk, or if these are not available or in large quantities of water. Call a physician. **NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. Measure against circulatory shock, respiratory depression, and convulsion may be needed.
