

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product has been designed specifically for Household and Institutional cleaning and disinfecting in Homes, Nursing Homes, Hospitals, Offices, Schools, Hotels and Hotels.

DISINFECTION, CLEANING, AND DEODORIZING: To disinfect, clean, and deodorize hard non-porous surfaces such as bathroom tiles, fixtures, shower stalls, walls, sinks and bathtubs, proceed as indicated below:

1. Hold container six to eight inches from surface to be treated. 2. Spray area until it is covered with the solution. Allow the product to penetrate and remain wet for 10 minutes. No scrubbing necessary. 3. Wipe off with a clean cloth, mop, or sponge. The product will not leave grit or soap scum. For heavily soiled areas, remove gross soil before treatment.

MILDEWSTAT-To control mold and mildew on hard non-porous surfaces (such as floors, walls, table tops), spray the surfaces to be treated, making sure to wet completely. Let air dry. Repeat application at weekly intervals or when mildew growth reappears.

PRECAUTIONARY STATEMENTS HAZARD TO HUMANS AND DOMESTIC ANIMALS WARNING

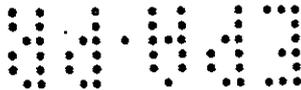

Keep Out of Reach of Children. Causes eye and skin irritation. Do not get in eyes, skin or on clothing. Harmful if swallowed.

STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash all contaminated clothing before reuse. If swallowed, drink milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Call a physician.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

NET CONTENTS

This product

is designed for general household cleaning and disinfecting in Homes, Nursing Homes, Hospitals, Institutions, Offices, Schools, Hotels and Hotels. When used as directed, Onyx Detergent/Disinfectant Pump Spray is formulated to disinfect inanimate hard surfaces (such as walls, sink tops, tables, chairs, telephones, door knobs, light switches, shower stalls, hampers, cabinet and bed springs).

this product

In addition, Spray deodorizes those areas which generally are hard to keep fresh smelling such as garbage storage areas, empty garbage bins and cans, basements, restrooms, and other areas which are prone to odors caused by microorganisms.

this product

When used as directed, demonstrates effective disinfection against Staphylococcus aureus, Salmonella choleraesuis and Pseudomonas aeruginosa, thus meeting requirements for hospital use. Efficacy tests have demonstrated that Onyx Detergent/Disinfectant is an effective one-step cleaner-disinfectant in the presence of organic soil (5% blood serum).

The product is fungicidal against Pathogenic fungi (T. mentagrophytes) when used as directed on hard surfaces found in the bathroom, shower stall, and locker room, or other clean hard non-porous surfaces commonly contacted by bare feet.

HOLD AND MILDEWSTAT- This product inhibits mold and mildew and the odors they cause on hard non-porous inanimate surfaces.

STORAGE AND DISPOSAL

Product Disposal: Securely wrap original container in several layers of newspaper and discard in trash.

Container Disposal: Do not reuse bottle. Rinse thoroughly before discarding in trash.

Storage: Store in a dry place, no lower in temperature than 50°F or higher than 120°F.
