NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

- A. Within 15 months of issuance of registration, or May 1, 1995, you must complete the following one year studies on this product:
 1. Storage Stability (63-17)
 2. Corrosion Characteristics (63-20)

File these data in your records in the event the Agency requests them in the future.

- B. Make the following labeling changes listed below before you release the product for shipment:

1. On your Front Panel, delete the "Statement of Practical Treatment".
2. On the Back Panel under CAUTION, rewrite as follows:

Harmful if swallowed. Avoid contact with skin.
Wash hands with soap and water after use. Avoid contamination of food or feedstuffs.

3. Delete the ENVIRONMENTAL HAZARDS section.

DATE JAN 11 1994

- 4. Under PHYSICAL OR CHEMICAL HAZARDS, add "Flammable" before "Contents under pressure."
- 5. Structure the use directions for your product as follows:

GENERAL:

Do not apply ... with training.

INDOORS:

To break ... is broken.

OUTDOORS:

To prevent ... are changed.

NOTE: This product is not likely to break the established urination patterns of dogs unless used as a training aid.

- 6. Revise your STORAGE AND DISPOSAL statement as follows:

STORAGE AND DISPOSAL

STORAGE: Store only in a cool, dry place inaccessible to children and pets.

DISPOSAL: When empty, replace cap, securely wrap in newspaper, and discard in trash. Do not incinerate or puncture.

- 7. Add the registration number to the label: EPA Reg. No. 44446-~~5~~.

C. Submit one copy of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

This registration will be subject to cancellation in accordance with FIFRA sec. 6(e) if you do not comply with these conditions. Your release for shipment of the product constitutes acceptance of these conditions.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Contains petroleum distillate. Do not induce vomiting because of aspiration pneumonia hazard. Avoid breathing vapors or spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food or feedstuffs.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic invertebrates. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

INDOORS:

To break your pet of undesirable habits (such as sleeping on furniture, rugs, and other forbidden areas in your home): Spray the article of furniture, rug, etc., lightly with this product so that the area or object is slightly moistened. Before spraying extensive areas of rugs, fabric or plastics, test the effect of this product by first treating a small inconspicuous area. This product may stain or soften some fabrics or plastics. An alternate method to avoid possible damage is to spray a piece of cloth lightly and place it on the object or area in your home to be protected. Repeat daily, or as necessary, until undesirable habit is broken.

OUTDOORS:

To prevent your pet, or stray animals, from soiling flower beds, areas of lawn, trees, shrubbery or evergreens: Spray the edges of flower beds, trunks of trees, the bases of shrubbery and evergreens, patches of lawn, etc., lightly every day, or every other day, with this product. Stray animals are frequently attracted to areas where urine or feces have been deposited. First, remove any droppings, then spray the spot with this masking odor. Reapply as often as necessary until undesirable habits of your pet or stray animals are changed.

Do not apply directly to foliage of shrubs or to ornamental, soft-bodied plants.

GENERAL:

BEST AVAILABLE COPY

For both indoor and outdoor situations, the most effective control for a pet is the sharply spoken word backed up with disciplinary action. This repellent product should be used in conjunction with training.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Keep container closed.

DISPOSAL: Replace cap and discard container in trash. Do not incinerate or puncture.
