It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**FOR RESTROOMS AND GENERAL DISINFECTANT** of hard, non-porous surfaces (glass, metal, plastic, glazed porcelain, linoleum, tile, leather, vinyl, enamel, and finished wood surfaces) on walls, floors, appliances and fixtures in institutions, homes and industrial areas.

**CLEANING.** Whenever practical, flush away gross soils with water. For cleaning, use 1 to 4 ounces of Germx MC per gallon of water. Cleaning may be accomplished with a clean mop, sponge, squeegee, wet vacuum system, or a mechanical spraying device. After cleaning, remove suspended soils with a clean water rinse, vacuum pick up or by wiping with a clean mop, sponge, squeegee or cloth.

**DISINFECTING.** Before disinfecting, preclean surfaces as directed above. Then, prepare 2 ounces of Germx MC per gallon of water and thoroughly wet the surfaces to be disinfected. The disinfecting solution must contact the surface for 10 minutes for proper disinfection. If desired, the surfaces may then be rinsed with clear water or wiped with a clean damp cloth.

**FOR DEODORIZING GARBAGE CANS, GARBAGE TRUCKS, INDUSTRIAL WASTE RECEPTACLES AND OTHER GARBAGE HANDLING EQUIPMENT.** It is especially important to preclean, preferably using a mechanical spraying device, in order for the disinfectant to perform properly. Then apply a wetting solution of 3-6 ounces of Germx MC per gallon of water.

**FOR CLEANING OF WALLS, FLOORS AND INDUSTRIAL WORK AREAS.** Use 2-4 ounces per gallon of water. The use of rubber gloves is recommended for personnel doing continuous hand cleaning.

Germx MC may be used through automatic floor scrubbing equipment.

**GERMX MC  
DISINFECTANT-DEODORANT**

ACTIVE INGREDIENTS:	
Alkyl (C <sub>14</sub> -C <sub>18</sub> ) Benzyl ammonium chloride	5.00%
Methyl salicylate	1.00%
INERT INGREDIENTS: 95.00%	
TOTAL INGREDIENTS: 100.00%	

**KEEP OUT OF REACH OF CHILDREN  
WARNING**

(See Additional Precautions on Side Panel)

**PRACTICAL TREATMENT (FIRST AID):** In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. If irritation persists, get medical attention. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, raw egg whites, gelatin solution or, if these are not available, drink a large quantity of water. Avoid alcohol. Call a physician immediately.

**ONLY FOR SALE TO, USE, AND STORAGE BY SERVICE PERSONS.**

EPA Reg. No. 44543-13  
EPA Est. No. 44543-AR-1

Net Contents: 1 U.S. Gal.

This product must not be used on food contact surfaces.  
Germx MC reduces the surface tension of water, improving its wettability. Microbes are capable of mass reproduction in sub-visible pores, scratches and cracks of surfaces. The excellent wettability of Germx MC improves the penetration of the solution into areas that otherwise might not be reached.  
Germx MC is effective against a wide variety of gram-positive and gram-negative bacteria. It is also an excellent deodorant and is especially effective in controlling odors that are bacterial in origin. Has a pleasant mint odor.  
Germx MC mixes with water to form clear, stable use solutions. Use solutions are non-corrosive and non-staining to plastic, vinyl, synthetics, enamel, tile and most common metals.

**STORAGE AND DISPOSAL**

**PROHIBITIONS:** DO NOT CONTAMINATE WATER, FOOD, OR FEED BY STORAGE OR DISPOSAL. OPEN DUMPING IS PROHIBITED.

**PESTICIDE DISPOSAL:** Pesticide, spray mixture, or rinse water that cannot be used according to label instructions must be disposed of according to Federal or approved State procedures under Subtitle C of the Resource Conservation and Recovery Act.

**CONTAINER DISPOSAL:** For Metal Containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved State and local procedures.

For Plastic Containers: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or dispose of in a sanitary landfill, or by incineration if allowed by State and Local authorities.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS  
AND DOMESTIC ANIMALS  
WARNING**

Causes eye and skin irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contamination of food. Avoid breathing spray mist.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not discharge into lakes, streams, ponds, or public water unless in accordance with an NPDES Permit. Do not contaminate water by cleaning of equipment or by disposing of wastes
