PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Wash thoroughly after handling. If swallowed, immediately call a Physician, Hospital Emergency Room or Poison Control Center. Any powder visible after application must be brushed into cracks and crevices or removed. Do not use in edible product areas of food-handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

STORAGE AND DISPOSAL

Store in a cool, dry place. Do not contaminate water, food, or feed by storage or disposal. Pesticide, spray mixture or rinsate that cannot be used according to label instructions must be disposed of according to Federal, State or local procedures under the Resource Conservation and Recovery Act.

Dispose of containers according to approved Federal, State or local procedures under the Resource Conservation and Recovery Act.

NOTICE

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

Mfg. by HJH CHEMICALS, INC.
2229 E. Magnolia Street
Phoenix, Arizona 85034
(602) 273-1483

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR CONTROL OF COCKROACHES IN BUILDINGS

Using portable blowers, apply CONQUER into cracks and crevices behind stoves, cabinets, sinks, refrigerators, dishwashers, on water pipes and at any holes in the floor or baseboards. Remove all lower cabinet drawers in kitchen, bathrooms and closets and apply CONQUER liberally into drawer wells.

The average 9 room house will require approximately one pound of CONQUER, with an additional pound for the garage and basement for a thorough treatment. Repeat monthly or as needed.

FOR CONTROL OF COCKROACHES IN SEWERS

Apply this product at a rate not to exceed 8 lbs. per 2,000 sq. ft. using portable blowers or air pressure tanks.

FOR USE IN:
