Sea Hawk Insecticide 1230 Blue
with Beta-Cyfluthrin Anti-Fouling
Coating

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Nautical Coatings, Inc.
P.O. Box 310305
Tampa, FL 33605

REC 24 1987

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 44891-6."
 - b. On the front panel, delete the words "Flammable - Vapor Harmful," because they more properly appear elsewhere on the label.
 - c. In the left panel:
 - 1) Replace the sentences "Corrosive . . . adequate ventilation" with the below:

Corrosive. Causes skin burns. Wear protective clothing such as gloves, long-sleeved cotton shirt, long pants, and hat.

DATE

Causes eye irritation. May be fatal if swallowed. Harmful if absorbed through skin or inhaled. This product may be a dermal sensitizer. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor; spray mist; dust or chips from sanding.* Wash thoroughly with soap and water after handling and before eating and smoking. Use with adequate ventilation.

* Choose appropriate wording.

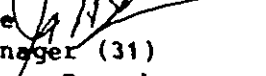

- 2) The Agency recommends that the solvent Precautionary Statements "Notice: Reports have associated repeated and prolonged overexposure to solvents with permanent brain and nervous system damage. Intentional misuse by deliberate concentrating and inhaling the contents can be harmful or fatal," not appear on the basic product label but, rather, appear on ancillary labeling which would include additional information on Precautions, Use Directions, etc.

d. We note that there are neither claims nor use directions for the use of this product on wood.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

DANGER!

Corrosive. Causes irreversible eye damage and burns. Harmful if swallowed, absorbed through skin, or inhaled. Do not get on skin, in eyes, or on clothing. Wear goggles or face shield, protective clothing such as long sleeved cotton shirt, long pants, hat, and gloves. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before re-use. Avoid breathing vapor, spray mist, dust or chips from sanding. Use with adequate ventilation. While spraying or sanding wear an appropriate, properly fitting respirator (NIOSH/MSHA APPROVED) unless air monitoring demonstrates vapor/mist levels are below applicable levels. Follow respirator manufacturer's directions for respirator use.

STATEMENT OF PRACTICAL TREATMENT.

If swallowed: Drink promptly a large quantity of milk, egg whites, gets in solution or if these are not available drink large quantities of water. Avoid alcohol. Get medical attention.
If inhaled: Remove victim to fresh air. If not breathing give artificial respiration, preferably mouth to mouth. Get medical attention.
If in eyes: Flush with plenty of water. Get medical attention.
If on skin: Wash with plenty of soap and water. Get medical attention.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate gastric lavage.

ENVIRONMENTAL HAZARD:

This material should not be dumped directly to water in cleaning of equipment or disposal of wastes. Do not allow fumes and dust generated during paint removal to enter water. Dispose of paint debris in an approved landfill.

PHYSICAL OR CHEMICAL HAZARD

FLAMMABLE! Keep away from heat and open flame.

NOTICE: Reports have associated repeated and prolonged overexposure to solvents with permanent brain and nervous system damage. Intentional mis-use by deliberately concentrating and inhaling the contents can be harmful or fatal.

STORAGE AND DISPOSAL:

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. Pesticide Disposal: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinseate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container-Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of on a sanitary land fill, or by approved state & local procedures.
