CEC 3 1987

Cuproquim, S.A. de C.V. c/o Siemer & Associates, Inc. 4572 West Jennifer, Suite 103 Fresno, CA 93722

Gentlemen:

Subject: Amendment - Revised Labeling - Change in Signal Word Technical Hydrox EPA Registration No. 45002-2 Copper Oxychloride Technical EPA Registration No. 45002-3 Your Submission Dated November 12, 1987

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided you:

1. Modify the Pesticide Disposal section to read:

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label directions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest RPA Regional Office for guidance.

 Submit one (1) copy of final printed labeling, incorporating the change above, before releasing products for shipment bearing amended labeling.
