

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

24 APR 1995

Ms. Judy Beard
Zema Corporation
P.O. Box 12083
Research Triangle Park, NC 27709

Dear Ms. Beard,

Subject: Amendments to label for Zema Pyrethrins Spray for Cats,
EPA Reg. No. 45087-32.

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. One copy of the finished labeling must be submitted prior to releasing the product for shipment.

You must include the Company Name and the Company Address on the label. They must be prominently displayed anywhere on the label.

In the ingredient statement, the headings "ACTIVE INGREDIENTS" and "INERT INGREDIENTS" must both be aligned to the same left margin.

Revise the Disposal Statement to read as follows:
"Container Disposal: Securely wrap original container in several layers of newspaper and discard in trash."

A marked-up copy of the label has been enclosed for your information.

If you have any questions, please contact Ann Sibold at (703) 305-6502.

Sincerely,

151

Richard P. Keigwin, Jr.

DRAFT LABEL - BACK PANEL CONTINUED

ZEMA PYRETHRINS SPRAY FOR CATS

Spray the animal from a distance of 8 - 12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure that the animal's entire body is covered, including the legs and under the body. As you spray, fluff the hair so the spray will penetrate to the skin. Make sure spray wets ticks thoroughly. Do not spray into the eyes, face or on genitals. Repeat as needed.

Apply at the rate of one second per pound of body weight.
