Mr. Hal Bowman
Zema Corporation
P.O. Box 12803
Research Triangle Park, NC 27709

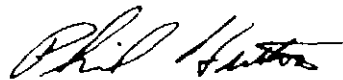

Dear Mr. Bowman:

Subject: Zema Fast Killing Flea & Tick Mist
EPA Registration No. 45087-33
Your Application Dated September 22, 1987

The proposed amendment to the registration of the product cited above under the Federal Insecticide, Fungicide, and Rodenticide Act, changing the name of the product and making other general label revisions, is acceptable. The labeling submitted with your application is acceptable subject to the comments listed below.

1. The statement "Keep Out of Reach of Children" must appear directly above the signal word "Caution."
2. The statement "Do not spray . . . or Foals" must be changed to "Do Not Spray on Nursing Puppies or Kittens."
3. The results of the storage stability study should be submitted after the study has been completed.
4. Your revised Confidential Statement of Formula is acceptable and has been placed into the file for this product.

Sincerely yours,

Phil Hutton
Product Manager (17)
Insecticide-Rodenticide Branch
