

Konk-R-oach®

Long-Lasting

Odorless Non-staining Powder

Will Kill Ants and Silverfish

For Use In: Homes, Hospitals, Schools, Apartments, Hotels, Restaurants, Markets, Factories and all new Construction.

Active Ingredient (Orthoboric Acid)	99%
Inert Ingredients	1%
TOTAL	100%

KEEP OUT OF REACH OF CHILDREN
CAUTION
 See side panel for additional instructions and precautions.

NET WT. 1 LB. (16 oz.)

Precautionary Statements
 Hazards to Humans and Domestic Animals
CAUTION
 Harmful if swallowed. Wash thoroughly after handling.
 Apply only in areas inaccessible to children and pets. Any powder visible after application must be brushed into cracks or crevices or removed.
 DO NOT USE in edible products areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas where food is exposed.

Konk-R-oach is an odorless, non-staining, non flammable powder that continuously protects against roaches (German and American), silverfish, and ants. Powder, if kept dry, is long-lasting.

DIRECTIONS FOR USE
 It is a violation of federal law to use this product in a manner inconsistent with its labelling.

Spread powder liberally, under and behind all appliances, remove all kitchen drawers; spread freely in drawer wells. Spread approximately one teaspoon in corners of cabinets, and closets, of kitchen and bathroom. Place also in cracks and crevices, light switch receptacles, under sink and all recessed areas.

DISPOSAL
 Do not use empty container. Wrap container and put in trash container.

New Construction:
 Place powder with a power or hand operated duster in order to insure penetration into hidden areas. Six (6) pounds will do an average eight room dwelling.

EPA Reg. No. 45162-1
 EPA Est. No. 45162-TX-01

Mfg. By PATTERSON PRODUCTS
 2950 S. 8th St., Beaumont, Texas

ACCEPTED
 MAR 18 1981
 Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 45162-1

Rec'd 1-23-81
