

**DIRECTIONS FOR USE**

**GENERAL CLASSIFICATION**

It is a violation of Federal Law to use this product in a manner not intended with its labeling.

**FOR CLEANING - Light, Soiled Areas:** Surfaces to be cleaned should be mopped or brushed with a solution containing 1 oz. SPECTRA QUAT VII per gallon of water. Rinsed cleaned surface with fresh water.

**Heavily Soiled Areas:** mop or brush soiled surface with a solution containing 2 oz. SPECTRA QUAT VII per gallon of water. Rinsed cleaned surface with fresh water.

**GENERAL PURPOSE DISINFECTION:** To disinfect walls, floors, and other hard non-porous surfaces in homes, schools, restaurants, restrooms, and other public areas, mop or brush with a fresh solution containing 2 oz. of SPECTRA QUAT VII per gallon of water so as to maintain thoroughly wetted surface for ten minutes. All soiled surfaces must be pre-cleaned prior to disinfection (follow directions for cleaning). All surfaces must be rinsed with clean water of drinking quality. Do not reuse used solution.

To disinfect hard non-porous surfaces in locker rooms, shower stalls, walkways around pools and other areas against pathogenic fungi, mop or brush with a fresh solution containing 2 oz. of SPECTRA QUAT VII in 3 gallons water so as to maintain thoroughly wetted surface for ten minutes. This solution will destroy Trichophyton interdigitale, causative agent of athlete's foot. All soiled surfaces must be pre-cleaned prior to disinfection (follow directions for cleaning). Do not reuse used solution.

**HOSPITAL DISINFECTION:** To disinfect walls, floors, furniture and other hard non-porous surfaces in hospitals and nursing homes, mop or brush with a fresh solution containing 2 oz. of SPECTRA QUAT VII per gallon of water so as to maintain thoroughly wetted surface for ten minutes. All soiled surfaces must be pre-cleaned prior to disinfection (follow directions for cleaning). Those surfaces that are heavily soiled with blood, fecal material or exudates should be thoroughly scrubbed and then rinsed with a fresh solution containing 2 oz. of SPECTRA QUAT VII per gallon of water before disinfection. Do not reuse used solution. This product has not been tested for effectiveness against Mycobacterium tuberculosis and must not be relied upon when tuberculosis activity is intended by the user.

**DEODORIZATION:** Prior to deodorization of bathroom areas, garbage pails, diaper pails, food storage areas, kennel areas, and other areas where offensive odors may develop, mop or brush, refuse, food, and/or animals. Pre-clean surfaces using pressurized water, where possible, before deodorization. To deodorize, mop or brush surface thoroughly with a solution containing 2 oz. of SPECTRA QUAT VII per gallon of water.

#### GENERAL INFORMATION

SPECTRA-QUAT VII is a disinfectant-cleaning agent designed for use in household, industrial and institutional cleaning. It is suitable for use in poultry, dairy and meat packing plants. When used as directed, SPECTRA-QUAT VII will disinfect hard non-porous surfaces such as floors, walls, counter tops and drains. It may be used to disinfect garbage cans, garbage pails, diaper pads, dust traps, and other areas where other disinfectants will not develop. The product may be used for the purpose of general cleaning and as a general purpose and bactericidal detergent in homes, schools, restaurants, hospitals, hotels, homes, public rooms and other places where efficient cleaning and disinfection is a primary concern.

#### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS DANGER

Causes Eye Damage  
 Causes Severe Skin Irritation, Especially to Broken Skin.  
 Harmful if Swallowed  
 Do not get in eyes, on skin or clothing. Wear goggles or face shield and rubber gloves when handling the product.  
 Remove and wash contaminated clothing.  
 Do not take internally.

#### STORAGE AND DISPOSAL

**STORAGE:** Do not contaminate water, food or feed by storage or disposal. Open dumping prohibited. If plastic, do not reuse empty container.  
**DISPOSAL:** Pesticide or material that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies. Triple rinse (or equivalent) all containers and, for metal containers, offer for recycling or reconditioning (for plastic containers, dispose in accordance with) or dispose in a landfill approved for pesticide containers or bury in a safe place. Consult federal, state or local disposal authorities for approved alternative procedures.
