NET CONTENTS:

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling. Read entire label and use strictly in accordance with precautionary statements and directions.

[Swim Free Non Foaming Black Algaecide] [This product] is used to control the growth of algae in swimming pools. For maximum effectiveness, pools containing heavy growth of algae should be cleaned prior to using [Swim Free Non Foaming Black Algaecide] [this product].

For pools having just visible algae growth add an initial dose of 13.5 to 21 fluid ounces of [Swim Free Non Foaming Black Algaecide] [this product] per 10,000 gallons of water and remove settled algae debris by cleaning.

For treatment of a freshly cleaned and filled pool, add initially 7.4 to 13.5 fluid ounces of [Swim Free Non Foaming Black Algaecide] [this product] per 10,000 gallons of water.

To maintain pools free of visible algae growth, subsequent additions of 2.5 to 4.9 fluid ounces of [Swim Free Non Foaming Black Algaecide] [this product] per 10,000 gallons of water should be made every 5 to 7 days after the initial treatment.

[Swim Free Non Foaming Black Algaecide] [This product] is compatible with those chemicals normally used to treat pools and effective at both acid and alkaline pH. [Swim Free Non Foaming Black Algaecide] [This product] can be used in pools treated with chlorinating products and may reduce the amount of those chemicals normally required. However, do not mix this product with concentrated dry or liquid chlorinating products.

STORAGE AND DISPOSAL: Keep this product in original tightly closed container when not in use. Store in a cool, dry, well ventilated area. Do not contaminate food or feed by storage or disposal. Do not reuse container, but place in trash collection. Rinse thoroughly before discarding in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
