### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.  
Always add Swamp Treat [Yellow Treat Plus] directly to pool or spa.

#### WAIT 8 HOURS BEFORE SWIMMING AFTER INITIAL TREATMENT

- Step 1: Remove as much debris as possible from the pool with a skimmer or leaf net.
- Step 2: Add one bottle of Swamp Treat [Yellow Treat Plus] per 20,000 gallons of water. Broadcast Swamp Treat [Yellow Treat Plus] directly on surface of water.
- Step 3: Brush entire surface of pool.
- Step 4: Independent of chlorine reading, immediately add liquid or dry chlorinating product for super-chlorination. Use the dosage rate for super-chlorination from the directions of an EPA-registered chlorinating product.
- Step 5: Before swimming, use a test kit as directed on your chlorine product label. Do not enter swimming pool or swim until chlorine residual drops to 3 ppm.
- Step 6: Chlorinate continuously with tablets or chemical feeder. Add slow dissolving tablets (such as trichloro-s-triazinetrione) during summer and heavy swimming conditions.
- Step 7: To prevent the reoccurrence of algae and to maintain crystal clear water, No Mor Problems may be used in conjunction with chlorinating and brominating products. Follow Directions for Use for No Mor Problems and maintain the chlorine or bromine level on the chlorinating or brominating product label.

#### STORAGE AND DISPOSAL

(Residential)

Pesticide Storage: Store in a dry, well ventilated area out of the reach of children away from oxidizers. Keep container closed when not in use.

Pesticide Disposal and Container Handling: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

(Commercial)

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Store in a dry, well ventilated area out of the reach of children away from oxidizers. Keep container closed when not in use.

Pesticide Disposal: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Container Handling: Nonrefillable container. Do not reuse or refill this container. Triple rinse or equivalent. Offer for recycling or puncture and dispose of in a sanitary landfill.
