OFFICE OF  
PESTICIDE PROGRAMS

JUL 8 2003

Mr. Bart Baker  
Vice President  
CTX Cenol Corporation  
P.O. Box 472  
Twinsburg, OH 44087

Subject: EPA Reg. No.: 45385-1  
Chem-Tox Roach & Ant Spray w/Baygon  
Submission dated March 03, 2003

Dear Mr. Baker:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable.

A stamped copy is enclosed for your records. Please submit one (1) final printed copy for the above mentioned label before releasing the product for shipment.

If you have any questions or comments about this letter, please contact Stephanie Nguyen at 703-605-0702.

Sincerely,

A handwritten signature in black ink, appearing to read "D. C. Kenny".

Daniel C. Kenny  
Product Manager (01)  
Insecticide-Rodenticide Branch  
Registration Division (7505C)

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** May be harmful if swallowed, inhaled or absorbed through skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Contact with skin, eyes or clothing should also be avoided. Wear long-sleeved shirt and long pants, chemical-resistant gloves, and shoes plus socks when making application. Wash thoroughly after using. Avoid contamination of food, utensils and food preparation areas. Do not contaminate food or feed. Keep out of reach of children. Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Users should remove protective clothing and equipment immediately after handling this product. Wash outside of gloves before removing. Keep and wash protective clothing and equipment separately from other laundry. Remove pets and cover fish aquariums before spraying. Do not apply this product in a way that will contact any person or pet, either directly or indirectly. Keep people and pets out of the area during application. Do not allow people or pets to contact treated surfaces until they are dry.

## FIRST AID

**IF SWALLOWED** - Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF IN EYES** - Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth, if possible. Call a poison control center or doctor for further treatment advice.

Have this product container or label with you when calling a poison control center, or doctor, or when going for treatment. You may also call 1-800-858-7378 for emergency medical treatment advice

**NOTE TO PHYSICIAN:** Solvent presents aspiration hazard. Compound inhibits cholinesterase. Antidote - Administer atropine sulfate in therapeutic doses. Repeat as necessary to the point of tolerance.

## ENVIRONMENTAL HAZARDS

This product is toxic to wildlife and aquatic invertebrates. Birds and small mammals feeding on treated areas may be killed. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply as a landscape treatment (to lawns, shrubs, trees, or garden plants).

## PHYSICAL OR CHEMICAL HAZARDS

Keep container away from stoves, radiators, or other hot surfaces. Do not spray or store near open flame. Do not use this product in conduits, motor housings, or electrical switch boxes.

## STORAGE AND DISPOSAL

**STORAGE:** Store this product in its original container in a dry, cool, secured area. Do not contaminate water, foodstuffs, feed, or seed by storage or disposal.

**PRODUCT DISPOSAL:** As a responsible environmental practice, where possible, it is recommended that all of the contents of the bag be used, carefully following label directions and precautions.

**IF EMPTY:** Do not reuse this container. Place in trash, or offer for recycling if available.

**IF PARTLY FILLED:** Call your local waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

**SPILL:** In case of spill, absorb liquid with soil, clay or other absorbent material and dispose of according to PRODUCT DISPOSAL. "IF PARTLY FILLED" directions listed above.

## DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**APPLICATION:** Read the entire Directions For Use and Conditions of Sale before using. This spray is a highly effective formulation that provides rapid kill of such crawling insects as listed below, including those resistant to certain chlorinated hydrocarbon and phosphate insecticides: ANTS, FLEAS, BROWN DOG TICKS, FLIES, CLOVER MITES, HORNETS, CRICKETS, MILLIPEDES, SOWBUGS, EARWIGS, MOSQUITOES, SPIDERS, ROACHES, WATERBUGS, WASPS, SAWTOOTHED GRAIN BEETLES (exposed), SCORPIONS.

In addition to rapid kill, ROACH AND ANT SPRAY with BAYGON® stays on treated surfaces and kills insects many weeks after the spray deposit has dried.

**HOW TO USE:** This product is ready to use undiluted as it comes from the container, and **MUST** be applied with either power operated or hand pressurized sprayers. This product shall NOT be distributed, sold, or used with finger operated trigger sprayers. Apply as a course spray to surfaces until moist, moving the spray stream rapidly enough to prevent excess wetting of surfaces and waste of material.

**INDOOR USE:** Spray into cracks, crevices, around baseboards and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves and in and around waste containers. For ants, spray trails and places where ants enter premises. Repeat as needed. Do not spray foodstuffs or house plants. Remove pets and cover fish bowls before spraying. Application may be made to floor surfaces along baseboards and around air ducts, however, do not treat entire area of floor or floor coverings. Do not allow people or pets to contact treated surfaces until surfaces are completely dry. (45-1pm180-03-103)

**BROWN DOG TICKS:** baseboard areas of floor in animal quarters.

**OUTDOOR USE:** Spray thoroughly around frames, furniture, enter the interior of waste containers, have return vegetation.

## PRECAUTIONS

- (1) Do not use as a spray in the air.
- (2) Use only on treated surfaces.
- (3) Do not treat vegetation.
- (4) Remove clothing.
- (5) DO NOT use on dried.
- (6) Do not use on excess.
- (7) If clothing is treated, wash immediately after use.
- (8) Do not use on excess because of safety.
- (9) Care should be taken to avoid contact with food.
- (10) Do not use on treated surfaces.
- (11) Do not use on treated surfaces.
- (12) Exposure to treated surfaces.
- (13) All food should be removed from treated areas.
- (14) Do not use on treated surfaces.
- (15) Do not use on treated surfaces.
