CTX-Cenol, Inc.
c/o H. R. McLane
7210 Red Road, Suite 206A
Miami, FL 33143-5321

Dear Mr. McLane:

Subject: Revised label in response to reregistration notice comments
Chem-Tox Roach and Ant Spray with Baygon
EPA Registration No. 45385-1
Submission Date: October 22, 2008

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable with the following comments:

- Because this product is not a restricted use product (RUP), the phrase "For Commercial Industrial Use Only" is not enforceable. Therefore, please revise the phrase so it reads, "**Intended for Commercial Industrial Use.**"

A stamped copy is enclosed for your records. Please submit two (2) copies of your final printed labeling before releasing the product for shipment. If you have any questions regarding this label, please contact Julie Chao at (703) 308-8735 or chao.julie@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "John Hebert".

Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Users should remove protective clothing and equipment immediately after handling this product. Wash outside of gloves before removing. Keep and wash protective clothing and equipment separately from other laundry.

Personal Protective Equipment (PPE):

Applicators and all handlers must wear:
• Longsleeved shirt and long pants,
• Socks and shoes, and
• Chemical resistant gloves made of barrier laminate, nitrile rubber, neoprene rubber or Viton.
Follow manufacturer's requirements for cleaning /maintaining PPE. If there are no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

User Safety Recommendations

Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Users should remove clothing / PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Users should remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

FIRST AID

IF SWALLOWED - Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF IN EYES - Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth, if possible. Call a poison control center or doctor for further treatment advice.

Have this product container or label with you when calling a poison control center, or doctor, or when going for treatment. You may also call 1-800-858-7378 for emergency medical treatment advice.

NOTE TO PHYSICIAN: Contains petroleum distillate - may pose an aspiration pneumonia hazard. Contains an N-methyl carbamate that inhibits cholinesterase.

ENVIRONMENTAL HAZARDS

This product is toxic to wildlife and aquatic invertebrates. Birds and small mammals feeding on treated areas may be killed. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not apply as a landscape treatment (to lawns, shrubs, trees, or garden plants). 10-22-08

CHEM-tox™**ROACH & ANT SPRAY with BAYGON® EPA Reg. No. 45385-1****PHYSICAL OR CHEMICAL HAZARDS**

Keep container away from stoves, radiators, or other hot surfaces. Do not spray or store near open flame. Do not use this product in conduits, motor housings, or electrical switch boxes.

STORAGE AND DISPOSAL

STORAGE: Store this product in its original container in a dry, cool, secured area. Do not contaminate water, foodstuffs, feed, or seed by storage or disposal.

PRODUCT DISPOSAL: As a responsible environmental practice, where possible, it is recommended that all of the contents of the container be used, carefully following label directions and precautions.

CONTAINER DISPOSAL: IF EMPTY: Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. **IF PARTLY FILLED:** Call your local waste agency or 1-800 CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain. **SPILL:** In case of spill, absorb liquid with soil, clay or other absorbent material and dispose of according to **PRODUCT DISPOSAL- "IF PARTLY FILLED"** directions listed above.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Remove pets and cover fish aquariums before spraying. Do not apply this product in a way that will contact any person or pet, either directly or indirectly. Keep people and pets out of the area during application. Do not allow people or pets to contact treated surfaces until they are dry.

APPLICATION: Read the entire Directions For Use and Conditions of Sale before using. This spray provides rapid kill of listed crawling insects. Will kill only pests present at the time of application. Pests must be directly contacted to be effective. Contact as many pests as possible.

HOW TO USE: This product is ready to use undiluted as it comes from the container, and may be applied with either power operated or hand pressurized sprayers.

Apply as a course spray to surfaces until moist, moving the spray stream rapidly enough to prevent excess wetting of surfaces and waste of material.

INDOOR USE: Spray into cracks, crevices, around baseboards and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves and in and around waste containers. For ants, spray trails and places where ants enter premises. Repeat as needed. Do not spray foodstuffs. Remove pets and cover fish bowls before spraying. Application may be made to floor surfaces along baseboards and around air ducts, however, do not treat entire area of floor or floor coverings. Do not allow people or pets to contact treated surfaces until surfaces are completely dry. (10-22-08)

PRODUCT BATCH CODE NO. _____

BROWN DOG TICKS: For use in kennels. Spray sleeping quarters of animals, around baseboards, window and door frames, wall cracks, and local areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. **DO NOT spray animals.**

OUTDOOR USE

Spray thoroughly those areas where pests have been seen or found including outside surfaces of screens, doors, window frames, foundations, patios, or other places where insects may enter the indoors. For ants, spray ant trails and mounds. For control of wasps, and hornets, apply after dark when all of the insects have returned to the nest. Repeat as necessary. Do not spray vegetation.

PRECAUTIONS:

- (1) Do not use this product indoors as an overall surface spray or as a space spray. Do not introduce this product into the air during application.
- (2) Use only in well ventilated areas.
- (3) Do not apply where children or pets may contact treated surfaces.
- (4) Remove or cover fish bowls and remove pets before application.
- (5) DO NOT treat pets or plants with this product.
- (6) If clothing is sprayed during application, remove clothing immediately after spraying and launder before wearing again.
- (7) Do not apply directly to carpets or floor coverings and avoid excess wetting of asphalt, tile, rubber and plastic materials because damage may occur.
- (8) Care must be taken to avoid spotting of walls, wall coverings and fabrics.
- (9) Do not apply directly to upholstery or furniture.
- (10) Do not apply to areas, surfaces, or utensils which will contact food or feed.
- (11) Exposed food must be covered or removed during application.
- (12) Do not use in edible products areas of food processing plants, restaurants, or other areas where food or feed is commercially prepared or processed.

CONDITIONS OF SALE:

The directions for use on this label were determined through research to be the directions for correct use of this product. This product has been tested for a range of conditions similar to those conditions that are ordinary and customary in the area where the product is used. Insufficient control of pests may result from failure to follow label directions. In addition, failure to follow label directions may cause injury to animals, man, or the environment. To the extent consistent with applicable law, the Seller offers, and the Buyer accepts and uses, this product subject to the conditions that, failure to follow label directions are beyond the control of the Seller and are, therefore, the responsibility of the Buyer.
