IG PLANTS.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors or spray mist, and provide adequate ventilation of area being treated. Contact with the eyes, skin or clothing should be avoided. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. Do not allow children or pets to contact treated surfaces until spray has dried. In home, all food processing surfaces, dishes and utensils should be covered during treatment or thoroughly washed before use. Do not apply directly to food. In commercial handling facilities, cover or remove any food and food processing equipment during application. Do not apply where food processing is underway. After spraying in food processing plants, wash all equipment benches, blocking and where exposed food will be handled with potable water.

KEEP OUT OF REACH OF CHILDREN CAUTION

Harmful if swallowed

See separate for additional precautionary statements

EPA Reg No 45385-5
EPA Est No 45385-IL-01

ENVIRONMENTAL HAZARDS

Toxic to fish and wildlife. Keep out of lakes, ponds, streams. Do not contaminate water by cleaning of equipment or disposal of waste.

PHYSICAL HAZARDS

Do not use or store near heat or open flame

DIRECTION FOR USE con

Mosquitoes, Flies, Gnats, Flying Moths (Millers): Close all doors and windows. Direct the spray to all parts of the room. Fill the room with mist then leave the treated area. Keep room closed for at least 15-30 minutes. Ventilate the room when treatment is completed.

Wasps: Application should be made in late evening when insects are at rest. Spray liberally into hiding and breeding places, contacting as many insects as possible. Repeat as necessary.

Roaches, Waterbugs, Earwigs, Grain Mites, Sowbugs, Spiders and Centipedes: Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes and

sinks under the floor. Spray directly or as necessary.

When using in food processing plants, thoroughly clean these areas, apply as necessary.

Remove pets, birds

Do not remain in treated area until treatment is complete.

Terms of Sale or Use: On purchase or use of this product, buyer and user agree to the following Warranty. CHEM TOX warrants that this product, as of the time of sale by CHEM TOX, is fit for the uses set forth in the Directions for Use. Except as so warranted, no warranty, express or implied, is made.

Damages: Buyer's or user's exclusive remedy for damages for breach of warranty or for negligence shall be the purchase price and shall not include incidental or consequential damages, but will not include damages for loss of use or falling which buyer or user waives any claim for.

Excuse from non-controllable conditions: Because of certain conditions, the seller or manufacturer, buyer and user, each and all, on purchase or use, assume responsibility for the results of use of this product attributable to such causes. No person is authorized to vary

Buyer assumes all risk of use, storage or handling of material in accordance with directions given here.
