 Suitable Product Areas of Meat and Poultry
 Processing Plants,
 Institutions, Warehouses and Office Buildings.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS **CAUTION**

Avoid contact with eyes, skin and clothing. Avoid breathing vapors. Do not spray on food, feedstuffs and domestic water supplies. Wash thoroughly after handling.

STATEMENT OF PRACTICAL TREATMENT

Preparation: Call a local Public Health Officer or a local health officer for assistance. Do not use in areas where food is prepared or stored. Do not use in areas where food is consumed. Do not use in areas where food is stored. Do not use in areas where food is prepared or stored. Do not use in areas where food is consumed. Do not use in areas where food is stored.

DIRECTION FOR USE conti

SPACE SPRAY: For control of house flies, fruit flies, mosquitoes, small flying moths and gnats. Close doors and windows and shut off ventilating systems. Apply using a good sprayer adjusted to deliver a fine mist. Direct spray toward upper portions of the enclosure, filling the room with mist. Use 1.25 ounces per 1000 cubic feet of space.

Terms of sale or use and user agree to:
Warranty: CHEM TOX is sold as is. No warranty is made by the manufacturer. Buyer must inspect goods before use.

Surface Spray: For control of roaches, ants, spiders, clover mites, cheese mites, confused flour beetles, sawtoothed grain beetles, red flour beetles, rice weevils, granary weevils and grain mites. Treat as above using 2 to 3 ounces per 1000 cubic feet of space. Keep area closed for at least 15 minutes. Vacate treated area and ventilate before reoccupying. Repeat treatment if reinfestation occurs.

Damages: Buyer's breach of warranty does not excuse incidental or consequential damages. Buyer must report damages to manufacturer immediately.

SURFACE SPRAY: To insure maximum control of the crawling insects named above, apply as a coarse mist directed toward the insects into cracks and crevices along baseboards, around the base of machines, containers of stored products and other areas where insects may hide. Spray ant trails, nests and points of entry. Spray badly infested areas daily. In other areas, repeat treatment twice weekly until reinfestation occurs.

Excuse from non-critical conditions: CHEM TOX is sold as is. No warranty is made by the manufacturer. Buyer must inspect goods before use.

KEEP OUT OF REACH OF CHILDREN **CAUTION**

Harmful if Swallowed
 See side panel for additional precautions.

ENVIRONMENTAL HAZARDS: This product is toxic to fish and aquatic life. Do not discharge into streams, rivers, lakes, or other bodies of water.
PHYSICAL HAZARDS: Do not use in the near heat of a fire.
