Barrington, IL 60010

BEST AVAILABLE COPY

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling changes listed below before you place the product on the market for shipment:

1. Add the phrase "EPA Registration No. 45385-26."
2. Change the statement "Do not apply directly to fish, streams, or ponds" to "Do not apply directly to water."
3. Submit five (5) copies of your final printed labeling for review and release to the Registration Division. Refer to the Attachment for a detailed description of this printed labeling.

If the above conditions are not complied with, the registration of this product will be suspended. If you are unable to comply with these conditions, you should advise the Registration Division in writing immediately. The suspension of the registration of this product will be effective on the date of the suspension.

A stamped copy of the label is enclosed for your information.
