

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in original container in a locked storage area.

**PESTICIDE DISPOSAL:** For Containers Over 1 Gallon: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** For Containers 1 Gallon and Under: Do not reuse empty, but not wrap container and put in trash.

For Containers Over 1 Gallon: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and Federal authorities.

See label for use continued on back panel.

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS CAUTION

Do not swallow. Do not apply directly to food. Do not use in areas where food is prepared or stored. Do not apply to areas where food is stored. Do not apply to areas where food is prepared or stored. Do not apply to areas where food is prepared or stored.

### STATEMENT OF PRACTICAL TREATMENT

**IF SWALLOWED:** Do not induce vomiting. If a physician or Poison Control Center is contacted, have them advise you. **IF INHALED:** Remove to fresh air. **IF ON SKIN:** Remove contaminated clothing. Wash affected areas with soap and water. Do not use solvents or abrasives. **IF IN EYES:** Flush eyes with water. **IF ON MOUTH:** Get medical attention if irritation persists. **CALL A PHYSICIAN.** Contains petroleum distillate. Vomiting may cause aspiration pneumonia.

### ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish. Do not apply directly to water or wetlands (swamps, bogs, marshes, and potholes). Drift and runoff from treated sites may be hazardous to fish in adjacent waters. Do not contaminate water when disposing of equipment washwaters.

### PHYSICAL HAZARDS

Do not use or store near heat or open flame.

### DIRECTION FOR USE, continued

**GENERAL:** This concentrate is designed for use undiluted in mechanical sprayers which give particle sizes of aerosol size.

**SPACE SPRAY:** Use undiluted in aerosol generators to kill German cockroaches, flies, mosquitoes, small flying moths, and gnats: Cover or remove exposed food and food handling surfaces. Close room and shut off all air conditioning or ventilating equipment. Apply at the rate of 0.3 ounces of undiluted concentrate per 1000 cubic feet of space. Direct output from aerosol generator upward toward upper corners of room and ceiling. Leave room closed for one hour. Ventilate room thoroughly before re-entering. Repeat as necessary.

### WARRANTY STATEMENT

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage resulting from its misuse as such, or in combination with other materials.
