Subject: Label Notification(s) for Pesticide Registration Notices 2007-4

Dear Mr. McLane:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notices (PRN) 2007-4 dated November 21, 2008 for:

**EPA Registration 45385-62**

**Chem-Tox Wik-Rub Insecticide Concentrate**

The Registration Division (RD) has conducted a review of this request for applicability under PR Notices 2007-4 and finds that the label changes requested falls within the scope of PR Notices 2007-4. The label has been date-stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact me directly at 703-305-6249 or Nicole Williams of my staff at 703-308-5551.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Arrington".

## PRECAUTIONARY STATEMENTS

### HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

**CAUTION:** Harmful if swallowed, Avoid breathing vapor. Avoid contact with skin, eyes, or clothing. Wear protective clothing, such as long sleeved shirt, long pants, shoes and socks, and chemical resistant gloves while mixing and applying the mixture to a "rubbing device". Wash exposed skin with soap and water after handling and before eating. Wash all contaminated clothing with soap and water separately from other clothing before re-use.

### FIRST AID

**IF SWALLOWED:** - Call a Poison Control Center or doctor immediately for treatment advice. Do not give any liquid to the person. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF IN EYES:** - Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth, if possible. Call a poison control center or doctor for further treatment advice.

Have this product container or label with you when calling a poison control center or doctor, or when going for treatment. You may also call 1-800-858-7378 for emergency medical treatment advice.

**NOTE TO PHYSICIAN:** Solvent presents aspiration hazard. Gastric Lavage is indicated if taken internally.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife, Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes, Apply this product only as specified on this label.

### PHYSICAL AND CHEMICAL HAZARDS

Do not pour, use, spill or store near heat or open flame.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in manner inconsistent with its labeling. DO not contaminate feed, water, or mineral supplements with this compound. Do not contaminate milk or milk handling equipment. Wash udder and teats before milking. This product is not for use in commercial food processing, preparation, serving or storage areas.

**For use, dilute one gallon of WIK-RUB Concentrate with four (4) gallons of kerosene.**

To control HORN FLIES and STABLE FLIES fill the **back-rubber** and **facerrubber** applicators with the diluted mixture of WIK-Rub insecticide. It will take a few minutes for the canvas, burlap or other absorbent parts to become saturated.

The applicators should be placed where the livestock loaf or congregate so that they may have access to it at all times during fly season.

Clean and recharge the applicators (depending on time and heavy animal use), with additional WIK-RUB diluted mixture as needed to continue good insecticidal fly control activity.

## STORAGE AND DISPOSAL

**PESTICIDE STORAGE:** Avoid storage conditions that might alter the composition or usefulness of the pesticide, e.g., temperature extremes, excessive moisture, or humidity, sunlight, friction, or contaminating substances or media. Keep pesticide container closed in a cool, dry, locked cabinet or room.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. 11-20-08.
