JUL 05 1989

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the purpose of registration under EPA Reg No. 45520-1

MOC THE PROFESSIONAL'S CHOICE

MICROBIOCIDIC DIESEL FUEL CONDITIONER

- CLEANS INJECTORS
- DISSOLVES HARMFUL GUM & VARNISH DEPOSITS
- INHIBITS THE GROWTH OF BACTERIA, FUNGUS & SLIME

EPA EST. No. 45520CA01 EPA REG. No. 45520-1

ACTIVE INGREDIENTS	
2,2-dicybis[4,4,6-trimethyl-1,3,2-dioxaborinane]	1.07%
2,2-[1-methyltrimethylenedicybis[4-methyl-1,3,2-dioxaborinane]	2.63%
INERT INGREDIENTS	96.30%
TOTAL	100.00%

KEEP OUT OF REACH OF CHILDREN

CAUTION

HARMFUL IF SWALLOWED. SEE ADDITIONAL PRECAUTIONARY STATEMENTS ON REAR LABEL

NET CONTENTS: 11 FL. OZ. (325 ML)

MOC Microbiocide DIESEL FUEL CONDITIONER

FOR USE IN ALL DIESEL ENGINES

MOC Microbiocide Diesel Fuel Conditioner inhibits the growth of micro organisms. These organisms, as they grow and multiply, can chemically alter the fuel to produce water, sludge, acids, and other products of metabolism. Such contamination can cause clogged filters and less efficient burning of fuel. MOC Microbiocide Diesel Fuel Conditioner keeps the entire fuel system clean. Its cleaning action dissolves harmful residues that accumulate in fuel passages, orifices, check valves and injector tips.

If spilled on paint, do not wipe — rinse with water.

DIRECTIONS IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELLING

Pour contents of container into fuel tank with capacity from 10 to 25 gallons. For best results, fuel tank should be at least 1/3 full and should be completely filled after adding the Diesel Fuel Conditioner. Never pour into an empty tank.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS (AND DOMESTIC ANIMALS)

Avoid contact with eyes, skin, and clothing. In case of skin contact, wash thoroughly with soap and water. For eye contact, flush thoroughly with plenty of water. If irritation persists, consult your physician. If swallowed, do not induce vomiting. Call your physician immediately.

PHYSICAL OR CHEMICAL HAZARDS

Flammable — keep away from heat and open flame.

STORAGE AND DISPOSAL

Wrap container and put into trash. Keep out of lakes and streams.
