U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Antimicrobials Division (7510C)
1200 Pennsylvania Avenue, NW
Washington, D.C. 20460

EPA Reg. Number:

45631-24

Date of Issuance:

JAN 19 2006

NOTICE OF PESTICIDE:

☐ Reregistration
☒ Registration

(under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

Sanova Base 335

Name and Address of Registrant (include ZIP Code):

Alcide Corporation
8561 154th Avenue, NE
Redmond, WA 98052

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No.45631-24"
 - b. The temperature of effectiveness "20°C or Room Temperature" must be added to the label under Directions For Use section.

Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Signature of Approving Official:

Emily H. Mitchell, Product Manager - Team 32

OUT OF REACH OF CHILDREN
CAUTION

FIRST AID

If In Eyes:

Hold eye open and rinse slowly and gently with water for at least 15-20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If on Skin or Clothing:

Take off contaminated clothing and shoes. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Inhaled:

Move person to fresh air. If person is not breathing, call 911, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

If Swallowed:

Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

WARRANTY LIMITATION AND DISCLAIMER

ALL EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE OR OTHERWISE ARE EXPRESSLY EXCLUDED. THERE ARE NO WARRANTIES THAT EXTEND BEYOND THE DESCRIPTION OF THE FACE HEREOF. In the event this product or its performance shall not conform with the description on the face hereof, Manufacturers sole obligation shall be to refund the Purchaser the purchase price hereof, or to replace this unit of product with a conforming unit at Sellers option. Purchaser agrees that such refund or replacement shall be Purchasers sole remedy for claims arising out of the purchase or use of this product. Before using this product, user shall determine the suitability of the product for its intended purpose and user assumes all risk and liability in connection therewith. User shall be responsible for its compliance with all federal, state, and local laws and regulations regarding the product and its use, storage, handling, and disposal.

Fungicide, and Rodenticide Act as
amended, for the pesticide,
registered under EPA Reg. No.

SANOVA® 335

Ready-to-Use Surface Sanitizer
For use in Commercial Food Processing
and Food Preparation Areas

SANOVA® 335 is a ready-to-use spray that is an effective sanitizer against *Listeria monocytogenes* on hard, non-porous surfaces. SANOVA® 335 may be safely applied to hard, non-porous food-contact surfaces, including plastics and stainless steel.

PART A BOTTLE CONTAINS:

ACTIVE INGREDIENT:

Sodium chlorite0.067%

OTHER INGREDIENTS:..... 99.933%

TOTAL100.000%

WHEN PARTS A AND B ARE MIXED 1:1,

PRODUCT CONTAINS:

ACTIVE INGREDIENT:

Sodium Chlorite0.034%

OTHER INGREDIENTS:..... 99.966%

TOTAL100.000%

The active ingredient (sodium chlorite at 335 ppm) has an antimicrobial activity equivalent to ≥ 200 ppm available chlorine, as required for pesticides used for sanitization of food-contact surfaces.

LOT No.: _____

EPA Reg. No. 45631-

EPA Est. No. 035-347-CA-001

Manufactured for:
Alcide Corporation
8561 154th Avenue NE
Redmond, WA 98052-3557

Net Weight: 22 Fluid Ounces (650 mL)

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

Harmful if swallowed, absorbed through skin or inhaled. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Avoid breathing spray mist. Wash hands before eating, drinking, chewing gum, or using tobacco. Remove contaminated clothing and wash before reuse.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Sprayer Assembly

The solutions in each bottle of the twin-pack set are pre-diluted and ready for dispensing through the Trigger Spray Handle. Remove the screw caps on bottles containing Part A and Part B and place the Trigger Spray Handle on the bottle openings. Make sure the locking levers on the Handle are in the "OFF" position, as indicated on the shoulder of each bottle. Place the Handle on the twin-pack bottles, so that only one Part A and one Part B bottle are attached. When the Handle is completely seated, move the lock-levers to the "ON" position, as shown on the shoulder of each bottle. Proceed to dispense as instructed.

Application Instructions

The ideal spray action is to pull or squeeze the handle fully and then to release it or to let it go completely, so that it returns freely to the original or open position. A short pumping action should not be used.

Clean gross filth from surfaces before applying SANOVA® 335. Spray on surfaces to be sanitized until saturated. Allow to soak for one minute, then drain excess solution.

STORAGE & DISPOSAL

Pesticide Storage: Store in original containers in cool, dark, dry place. Keep containers upright.

Container Disposal: Triple rinse empty containers with water and offer for recycling or discard in trash. Do not reuse containers.
