DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

FICAM Insecticidal Shelf & Drawer Paper is treated to kill ants, cockroaches and silverfish. Insects die after contact. Line drawers and cabinets. Use in and around garbage storage areas. Put under sinks and in broom closets. Protect cottons, linens and valuable documents by covering with treated paper. Clean or sun and brush garments before wrapping for storage.

Do not place wrapped or unwrapped food or food utensils on the treated paper.

Reline drawers at least twice a year, exposed areas more frequently when effectiveness diminishes.

STORAGE AND DISPOSAL:

Storage: Keep FICAM Insecticidal Shelf & Drawer Paper in its original wrapping until use.

Return unused paper to its original wrap.

Disposal: Dispose of soiled or expired paper in trash.
