#### GENERAL INFORMATION

BOTEC\* Peanut Seed Protectant controls seed rots caused by Aspergillus and Rhizopus species.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

ROTEC Peanut Seed Protectant is formulated for dry , eatment of seed. Apply with any type of dust treater which will insure complete coverage of the seed. Use at the rate of 4 to 6 ounces per 100 pounds of seed. When used as directed, this product colors seeds red. Do Not use treated seed for food, feed or oil purposes. Bags with treated seed should bear a tag or label cautioning against their use for food, feed or oil purposes, as well as reuse for packing feed or food stuffs. Dispose of excess treated seed in accordance with approved Federal, State or local procedures under the Resource Conservation and Recovery Act.

#### **USE PRECAUTIONS:**

"Wear goggles or face shield when handling. wash thoroughly with soap and water after handling. Remove contaminated clothing and separately launder clothing before reuse. "

"Mixers/loaders when mixing and loading this roduct must wear a long sleeved shirt and long ants or a coverall that covers all parts of the body except the head, hands and feet. Wear chemical resistant gloves, goggles or a face shield and a chemically resistant apron."

Take off all clothes and shoes. "AFTER WORK: Shower using soap and water. Do not wear contaminated clothing. Wash protective clothing and equipment with soap and water after each Personal clothing worn during use must be laundered separately from household articles. Clothing and protective equipment heavily contaminated or drenched with captan sust be destroyed according to state and local regulations."

"A dust mask must be worn when mixing and loading this product."

## STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container and keep closed. Store in a cool, dry place.

PESTICIDE DISPOSAL - Do not contaminate water, food or feed by storage or disposal. Pesticide wastes are acutely harardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions. contact your State Pesticide or Environmental Control Agency. or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.
