Wilmington, Delaware 19808

Subject: Revised Labeling
Ficam Wasp & Hornet Spray
EPA Registration Number 45639-140
Your Application Dated April 15, 1994

Dear Ms. Forster:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, is acceptable provided that you make the labeling change indicated below before you release the product for shipment bearing the amended labeling:

Revise the statement "NOT FOR SALE OR USE IN CALIFORNIA" to "NOT REGISTERED FOR SALE OR USE IN CALIFORNIA."

Submit five (5) copies of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

DHE

Dennis H. Edwards, Jr.

NET CONTENTS

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND
DOMESTIC ANIMALS
WARNING**

May be harmful if swallowed or absorbed through the skin. Do not get in eyes. Avoid breathing spray mist. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

PHYSICAL & CHEMICAL HAZARDS

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Direct spraying will cause damage to plants on contact.

Do not allow spray to contact stained wood, plastic, rubber, or asphalt surfaces as this could lead to further staining of, in particular, stained wood.

Do not use as a space spray indoors.

To be used in and around homes, apartments, commercial buildings, kennels, barns, patios, institutions, warehouses, theaters, office buildings, schools, motels, hotels, transformers, electrical boxes, and those areas where wasp, hornet, bee, and yellow jacket nests are generally located.

To operate, remove protective cap and depress button, being sure to aim spray opening at the location to be sprayed. Direct spray at wasps, hornets, bees, and yellow jackets whenever possible and under eaves, into nests, cracks, holes, or crevices wherever insects are noticed.

Spray for about 1-2 seconds or until surface is moist from insecticide. To prevent entrance of insects into the house, spray around points where outside plumbing, faucets, etc. enter the house and into any cracks or crevices in foundation as well as along sills and ledges.

Kills wasps, hornets, honey bees, and yellow jackets: This spray is fast acting when insects are hit directly. If a breeze is present, application should be made only with breeze at back. Application should be made in the evening when the hornets are at rest.

Kills ants and spiders: This spray is fast acting when pests are hit directly. With the breeze at back, thoroughly spray all pests present.

Allow about 24 hours for those insects or spiders which were not directly hit by spray to leave the area. If insects or spiders should return to the treated area, spray again. This container delivers a stream type spray, making it possible for the operator to stay back from the places sprayed. This formulation utilizes synergized Bendiocarb, a combination specifically effective on this class of pests.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place inaccessible to children and pets. Exposure to temperatures above 130°F may cause bursting.

DISPOSAL: Replace cap, wrap container in several layers of newspaper and discard in trash. Do not incinerate or puncture.

IN CASE OF FIRE, LEAKY OR DAMAGED CONTAINERS, OR OTHER EMERGENCY, REPORT AT ONCE BY TOLL-FREE TELEPHONE TO: 800-424-9300.

IMPORTANT: READ BEFORE USE

By using this product, user or buyer accepts the following conditions, warranty, disclaimer of warranties and limitations of liability.

CONDITIONS: The directions for use of this product are believed to be adequate and should be followed carefully. However, because of extreme weather and soil conditions, manner of use and other factors beyond NOR-AM Chemical Company's control, it is impossible for NOR-AM to eliminate all risks associated with the use of this product. As a result, crop injury or ineffectiveness is always possible. All such risks shall be assumed by the user or buyer.

DISCLAIMER OF WARRANTIES: THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE OR OTHERWISE, WHICH EXTEND BEYOND THE STATEMENTS MADE ON THIS LABEL. No agent of NOR-AM Chemical Company is authorized to make any warranties beyond those contained herein or to modify the warranties contained herein. UNDER NO CIRCUMSTANCES SHALL NOR-AM CHEMICAL COMPANY BE LIABLE FOR ANY SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES RESULTING FROM USE OR HANDLING OF THIS PRODUCT.

LIMITATIONS OF LIABILITY: THE EXCLUSIVE REMEDY OF THE USER OR BUYER FOR ANY AND ALL LOSSES, INJURIES, OR DAMAGE RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, WHETHER IN CONTRACT WARRANTY, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, SHALL NOT EXCEED THE PURCHASE PRICE PAID, OR, AT NOR-AM'S ELECTION, THE REPLACEMENT OF PRODUCT.
