PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS CAUTION

Harmful if absorbed through the skin or inhaled. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

HAZARD TO PETS

Keep shampoo out of the pet's eyes.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE DE-FLEA SHAMPOO CONCENTRATE WELL BEFORE DILUTING.

1. MIX ONE PART DE-FLEA SHAMPOO CONCENTRATE TO 3 PARTS WATER (OR ONE PART DE-FLEA SHAMPOO CONCENTRATE TO 3 PARTS OF YOUR OWN DILUTED ANIMAL SHAMPOO). SHAKE MIXTURE BEFORE EACH USE.
2. WET DOWN AND SPONGE ABOVE MIXTURE ONTO DRY PET UNTIL ANIMAL IS COMPLETELY WET. [DO NOT WET DOWN ANIMAL WITH PLAIN WATER FIRST. THIS DECREASES THE EFFECTIVENESS OF DE-FLEA.] BE SURE THAT ALL PAWS AND ALL CREVICES ARE WET. RINSE THOROUGHLY, THEN DRY. DE-FLEA WILL KILL ALL FLEAS ON CONTACT AND LEAVE YOUR PET'S COAT WITH A NICE SHEEN.
3. FOR VERY THOROUGH RESULTS, PARTICULARLY IF TICKS ARE PRESENT, IT IS BETTER TO SHAMPOO THE ANIMAL BY RUBBING THE MIXTURE ONTO THE COAT UNTIL A LATHER IS BUILT UP. RINSE AFTER FIVE MINUTES AND THEN DRY.

DE-FLEA MAY BE APPLIED AS OFTEN AS NEEDED, EVEN DURING ANIMAL WORMING OR IF ANIMAL IS ON PRO-BAN.

CONTAINER DISPOSAL: Securely wrap original container in several layers of newspaper and discard in trash.

DE-FLEA IS GUARANTEED TO GIVE YOU COMPLETE SATISFACTION OR YOUR MONEY WILL BE REFUNDED
