4. Repeat as necessary, but no more frequently than once per week.

### DIRECTIONS FOR USE: READ ENTIRE LABEL BEFORE EACH USE. USE ONLY ON DOGS AND CATS.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. Mix 1 part De Flea Shampoo Concentrate to 3 parts water. Shake mixture before each use.
2. Apply the above mixture onto dry coat of pet until animal is completely wet. (Do not pre-rinse or wet animal down prior to applying shampoo mixture.) Be sure that paws and hard to reach areas are treated. Rinse thoroughly, then dry. De Flea will kill all fleas on contact and leave your pet's coat with a nice healthy sheen.
3. To improve results, shampoo the animal by rubbing the mixture onto the coat, until a lather is built up. Rinse after five minutes and then dry.

### PRECAUTIONARY STATEMENTS HAZARD TO HUMANS • CAUTION

Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

**HAZARD TO PETS**  
Keep shampoo out of the pet's eyes. (See Attached).
