

# MICROPEL™ 5 PVC

## Solid Resin Carrier

### Bacteriostatic & Fungistatic Additive for Plastics

45735-17

**ACCEPTED**

JUL 11 2003

Under the Federal Insecticide, Fungicide, and  
Rodenticide Act as amended, for the  
pesticide, registered under  
EPA Reg. No. **45735-17**

Active Ingredient:	
10,10'-oxybisphenoxarsine	5.0%
(Total arsenic as elemental As-1.5%)	
(Water soluble arsenic as elemental As- less than 0.01%)	
Inert Ingredients:	95.0%
TOTAL	100.0%

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

**READ THIS LABELING BEFORE USING**

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish, aquatic invertebrates, birds and mammals. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and unless the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment authority. For guidance contact your State Water board or Regional Office of EPA.

**STORAGE & DISPOSAL**

Do not contaminate water, food or feed by storage.

**Pesticide Storage:** Do not store in the presence of food or feed. OBPA that cannot be used according to label instructions must be disposed of according to Federal or approved State procedures under subtitle C of the Resource Conservation and Recovery Act. (RCRA).

**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA regional office for guidance.

**Container Disposal:** Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

**Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Avoid contact with skin, eyes or clothing.  
Wash thoroughly with soap and water after handling.

See right panel for additional precautions.

FIRST AID	
<b>IF SWALLOWED</b>	Call Poison Control Center or Doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.
<b>IF IN EYES</b>	Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present after the first 5 minutes, then continue rinsing eye.
<b>IF ON SKIN OR CLOTHING</b>	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for further treatment advice.
<b>IF INHALED:</b>	Move person to fresh air. If person is not breathing, call 911, or an ambulance, then give artificial respiration, preferably by mouth to mouth, if possible. Call a poison control center or doctor for further treatment advice.
<b>NOTE TO PHYSICIAN:</b>	Call a poison control center or doctor for further treatment advice. Probable mucosal damage may contraindicate the use of gastric lavage.
<b>HOT LINE NUMBER:</b>	Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1 - 800 - 222- 1222 for emergency medical treatment information.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. MICROPEL 5 PVC is a formulation of 10,10'-oxybisphenoxarsine specifically designed for compatibility with flexible vinyl systems. It may also be used as a preservative in plastic products, floor and wall coverings, coated fabrics for upholstery, shower curtains, mattress covers.

A level of 0.6% MICROPEL 5 PVC based on total weight of the final treated product will give excellent control against bacteria and mold organisms in the treated articles. For certain items which may be subjected to extended outdoor weathering, such as marine upholstery, swimming pool liners, tarpaulins, landau tops, a level of 1% should be evaluated.

Do not use MICROPEL 5 PVC where the treated plastic materials can come in contact with humans or pets or be used as food or feed packing material or as food contact surfaces.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risks of use and/or handling of this material when such use and/or handling is contrary to label.

Note: Please refer to instructional bulletins for additional information on the use of this product.
