

10Fa
P. 30
2-1-82

ACCEPTED
45898-9
JUN 30 1982
Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under
EPA Reg. No.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

DANGER. Corrosive, causes eye damage. May be fatal if swallowed. Do not get in eyes, on skin, or on clothing. Irritating to nose and throat. Avoid breathing dust. May cause burns to broken skin. Wear goggles or face shield and protective clothing when handling. Wash hands after handling.

FIRST AID (PRACTICAL TREATMENT): If swallowed feed gruel, cooked cereal, or bread soaked in milk, followed by olive oil or cooking oil. In case of personal contact, remove excess material and flush skin or eyes with cold water for at least 15 minutes. For eyes get medical attention as soon as possible. Remove and wash contaminated clothing before reuse.

CHEMICAL HAZARDS Strong oxidizing agent. Do not use moist or damp utensils. Contamination with moisture, dirt, organic matter, or other chemicals, or any foreign matter may start a chemical reaction with generation of heat, liberation of hazardous gases, and possible generation of fire.

ENVIRONMENTAL HAZARDS This pesticide is toxic to fish. Keep out of lakes, streams, ponds, or public waters. Permits may be required for discharges containing this pesticide into public waters. For guidance contact the regional office of the Environmental Protection Agency.

SPECIAL PRECAUTIONS

1. This product has a powerful chlorine odor. Hold away from face when opening to avoid breathing fumes.
2. Prolonged contact between this product in its undissolved state and vinyl liners or painted surfaces will result in bleaching of the vinyl or paint. Introduce this product through the skimmer or in a prescribed feeder to avoid discoloration of liner or paint.
3. When adding this product to skimmer or feeder make sure there are no other chemicals present as a violent reaction may occur. It is always dangerous to mix chemicals.
4. Use this product as directed as per instructions on label. Do not take advice from others or experiment by yourself.
5. If this product is used to shock or superchlorinate a pool, after treatment it is important to brush walls and floor to expose algae that may be in cracks or wrinkles that might protect algae from high chlorine residual. Such protected algae will begin to reproduce again when high chlorine residual falls.
6. This product, because of its potent formulation, can be dangerous if not used properly. Do not mix with any other chemicals. This could result in a violent chemical reaction. Do not add water to this product in a closed container. Do not add this product to a small amount of water in a pail. When adding this product to skimmer make sure pump is on and water is circulating so that material is drawn into recirculation system. Do not allow buildup of dry material in skimmer as gases generated may cause an explosion.

EPA Est. No. 45898 FL

SLOW DISSOLVING

STICKS

ACTIVE INGREDIENT:
Trichloro-s-triazinetriammonium 99.0%

INERT INGREDIENT: 1.0%
(89% available chlorine)

20 STICKS NET WEIGHT: 10 lbs.

**KEEP OUT OF REACH OF CHILDREN
DANGER: SEE FIRST AID STATEMENT
AND OTHER PRECAUTIONS ON SIDE PANEL**

DIRECTIONS

1. Adjust water pH to 7.2.
2. If the pool has not been treated with a stabilizer (cyanuric acid) use the label for that product.
3. These sticks are designed for use in floating type chlorinators. They can also be used in other types of chlorinators.
4. To maintain a chlorine level of 1.0 ppm, use 1 stick per 5000 gallons of water. Follow the manufacturer's directions carefully.

Please note: The pH of the acid side and will tend to lower the pH of pool water. Proper pH should be maintained by a test kit and the use of sodium bicarbonate or sodium bicarbonate.

STORAGE & DISPOSAL: Store in a cool, dry place when not in use. Store in a cool, dry place or open flame. In case of disaster, if possible, and flood with large quantities of water. Rinse empty container before discarding. Dispose of in an approved landfill area.
