Authorized agent for Rod Products

Dear Ms. Davis:

Subject: Revised and basic and proposed alternate confidential statements of formula (CSFs)
Revised label to remove furanones from active ingredients, add marketing claims
Doo-Not Dog and Cat repellent
EPA Registration Number 45987-1
Your submissions dated August 26, 2011; Dec. 5, 2011; and Dec. 13, 2011

The revised basic and proposed alternate A CSFs dated 12/13//2011 are acceptable as submitted, and this information has been added to our files for this product.

Revised label referred to above, and submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the following comments:

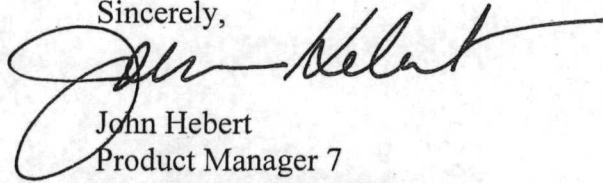

1. This product contains a single active ingredient now. Revise the active ingredient statement as follows: "Active Ingredient:.....".
2. The marketing claim: "America's #1 Repellent" is not acceptable. Please delete this claim from the label.

A stamped copy of the label is enclosed for your records. Submit two (2) copies of the final printed label before you release the product for shipment bearing the revised labeling.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This effective product discourages dogs from relieving themselves on lawns, flowerbeds, driveways or sidewalks. {Product Name} discourages cats from defecating in flower gardens and elsewhere.

[See Directions for Use on side panel for complete instructions for using this product.]

Dogs: Remove old fecal deposits and then sprinkle granules evenly over area at the rate of 1 pound per 800 square feet for light infestations and 1 pound per 100 square feet for heavy infestations. Do not place in piles. Retreat after rains and at least once per week until defecating stops. Resume treatment if problem reoccurs.

Cats: Remove fecal material. Remove contaminated dirt. Fill any holes associated with defecation. If cats have defecated on concrete or other hard surfaces, wash and rinse these areas. Sprinkle {product name} on the affected areas at a rate of 1 pound per 100 square feet. Retreat at least once per week until unwanted behavior stops. Resume treatment if problem reoccurs.

Storage and Disposal

Pesticide Storage: Store only in original container, in a dry place inaccessible to children and pets.

Pesticide/Container Disposal: Non-refillable container; do not reuse or refill this container. **If empty:** Offer for recycling, if available; otherwise, discard in trash. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

{Per PR Notice 2007-4 the batch code/lot number will appear on the label or container.}

Limited Warranty and Disclaimer

Buyer assumes all risk of use, storage or handling of this material not in strict accordance with label directions and usage. To the extent consistent with applicable law, Seller's liability shall not exceed the purchase price of this product.

This package is sold by weight and package if full when packed, but due to its nature the material is inclined to settle.
