- *KILLS FLYING and CRAWLING INSECTS ON CONTACT INDOORS & OUTDOORS
- *QUICK-DRY SPRAY
- *PLEASANT FRUITY ODOR
- *GREAT FOR PICNICS & BARBECUES

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

INDOORS: Hold container upright 24 inches from surfaces, and spray away from your face sufficiently to wet and kill crawling cockroaches and ants and flying insects in all rooms, garages, and basements. Also spray thoroughly into insect hiding place surfaces, such as wall and floor cracks, moist areas, openings under and around sinks, pipes, and appliances, baseboards, cabinets, drawers, and closets. Spray on inside window glass and surfaces in other warm places indoors that attract and harbor flies.

OUTDOORS: Hold container upright 24 inches from surfaces, and spray away from your face sufficiently to wet and kill crawling ants, roaches, and flying insects. To break up ant trails on sidewalks, paths, and buildings, spray ants thoroughly along the entire path and all surfaces up to one foot either side of the trail. Repeat this treatment a second time if ants reappear on the same trail a few days later. Liberally spray and thoroughly wet manure heaps, compost piles, and insect-attracting garbage pails and dumpsters to kill flies, cockroaches, and ants and their eggs, larvae, and pupae on contact. Avoid spraying bees, ladybugs, butterflies, grasshoppers, and non-target insects.

BARBECUES & PICNICS: Enjoy an insect-free barbecue or picnic by first spraying the chosen patio, grass, or ground surface a few minutes or so before your party starts. Direct the spray away from your face 24 inches toward all surfaces you wish to keep free of crawling and flying insects.

Precautionary Statement

Hazards to Humans and Domestic Animals: CAUTION: Keep out of reach of children. Avoid breathing spray mist.

Storage and Disposal

Storage: Store only in original container, in a dry place inaccessible to children and pets.

Disposal: Do not reuse empty container. Securely wrap in newspaper and discard in trash.
