

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
AND DOMESTIC ANIMALS**

Avoid contact with skin, eyes, or clothing. May cause irritation of eyes, nose, throat, or skin. Wash with soap and water after handling. In case of contact, flush eyes or skin with large amounts of water. If irritation persists, get medical attention. Avoid contamination of feed and food. **DO NOT USE TREATED SEED FOR FOOD, FEED, OR OIL PURPOSES**

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Keep out of lakes, ponds or streams. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on the label.

WARRANTY AND CONDITIONS OF SALE*

KALO LABORATORIES, INC. warrants this product conforms to its label description and is reasonably fit for use if used strictly in accordance with label directions subject to the inherent risks stated below. KALO MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, WHETHER OF FITNESS OR MERCHANTABILITY OR ANY OTHER MATTER RESPECTING THE PRODUCT. IN NO CASE SHALL KALO OR SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. Directions for use are believed to be reliable. However, since weather, soil and plant conditions, presence of other materials or the manner of use or application may adversely affect performance even when used in accordance with label directions, Buyer assumes all such risks. In any event, Kalo's and Seller's liability shall be limited to return of the purchase price. KALO and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Warranty and Conditions of Sale, which may be varied only by agreement in writing signed by a duly authorized representative of KALO.

*These Conditions of Sale are subject to any applicable contrary governmental restrictions or law.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its label.

STORAGE AND DISPOSAL

STORAGE: Avoid exposure to excessive heat.

DISPOSAL: The empty container and any excess treated seed or waste should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Open dumping is prohibited.

STAND-UP™ is a ready-to-use formulation for the treatment of soybean seed. It protects sound and/or mechanically injured seed against seed or soil-borne diseases such as seedling blight, damping-off and seed decay organisms.

**FOR PLANTER BOX APPLICATION
OR FOR USE ON SEED PRIOR TO PLACEMENT
IN PLANTER BOX**

SHAKE WELL BEFORE USING. STAND-UP™ is formulated as an oil-based suspension. Such suspensions tend to separate slightly prior to use. The heavier components settle leaving a thinner layer on the surface. To maintain the designed fluidity of this product, **DO NOT POUR THIS THINNER LAYER FROM THE CAN UNTIL IT IS PROPERLY MIXED BY THOROUGHLY SHAKING THE CAN.**

Apply STAND-UP™ at the rate of 4 fl. oz. per bushel of soybean seed or the contents of this container to 7 bushel of soybean seed. Mix or stir until a uniform color is imparted to all seed.

Pre-treatment of soybean seed, not to exceed 7 days prior to planting is permitted to speed the filling of planter boxes during the planting operation. Pre-treatment may also reduce any interference with planter mechanisms or monitors sometimes caused by improper mixing in the planter box.

Partially fill planter box or mixing container with seed, apply the proper portion of the recommended rate of STAND-UP™ evenly over the surface of the seed and stir with a stick or paddle. Repeat partial filling with seed and STAND-UP™ until planter box or mixing container is filled.

Frequently inspect planting mechanisms, seed drum and hopper box to insure these areas are clear. Clean any accumulation.
