Attention: James R. Scott

Gentlemen:

**BEST AVAILABLE COPY**

Subject: Amendment: Additional Brand, Alternate Formula  
Liquid THI Concentr  
EPA Registration 5989-13  
Your Submission L December 27, 1984

The amendment referred to above, submitted in connection with registration under FIFRA, is acceptable provided that you:

1. Revise the label statement under use precaution pertaining to the drying of treated seed to reflect the fact that EPA requires the use of an EPA approved dye (40 CFR § 180.1001) on all types of seed, except for planter box treatments.
2. Add required labeling necessary to conform with the Thiram Registration Standard within the time period specified in our March 18, 1985 letter (attached).
3. Submit one copy of your revised final printed labeling before you release the product for shipment.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Henry M. Jacoby  
Product Manager (21)  
Fungicide-Herbicide Branch  
Registration Division (Tb-767)

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

**CAUTION:** MAY IRRITATE EYES, NOSE, THROAT, AND SKIN. HARMFUL IF SWALLOWED. Avoid contact with skin, eyes, and clothing. Wash thoroughly after handling.

**STATEMENT OF PRACTICAL TREATMENT:** In case of contact, flush skin or eyes with plenty of water, for eyes, get medical attention.

**NOTICE:** Avoid handling this product or treated seeds with bare hands. Do not use treated seed for food, feed or oil purposes.

**NOTICE:** Consumption of alcoholic beverages increase the possibility of harm.

Avoid contamination of feed and food. **DO NOT USE TREATED SEED FOR FOOD, FEED, OR OIL PURPOSES.**

### USE PRECAUTION

When using formulations that do not contain dye, to comply with 21 CFR Chapter 1, Section 2.25, all grain seed treated with an economic poison must be colored to distinguish and prevent subsequent inadvertent use as a food or feed for animals.

**LABEL TREATED SEED:** This seed treated with Thiram fungicide. Do not use for Food, Feed, or Oil Purposes.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on the label.

### Limited Warranty and Conditions of Sale\*

Kalo, Inc. warrants this product conforms to its label description and is reasonably fit for use if used strictly in accordance with label directions subject to the inherent risks stated below. KALO MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, WHETHER OF FITNESS OR MERCHANTABILITY IN ANY OTHER MATTER RESPECTING THE PRODUCT. IN NO CASE SHALL KALO OR SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL, OR DIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. Directions for Use are believed to be reliable. However, since weather, soil and plant conditions, presence of other materials or the manner of use or application may adversely affect performance even when used in accordance with label directions, Buyer assumes all such risks. In any event, Kalo and Seller's liability shall be limited to return of the purchase price. Kalo and the Seller offer this product, and the Buyer and User accept it, subject to the foregoing Warranty and Conditions of Sale, which may be varied by agreement in writing signed by a duly authorized representative of Kalo.

The above Limited Warranty and Conditions of Sale may be affected by state or local governmental restrictions or laws. For example, some states do not allow any limitation upon implied warranties of fitness and merchantability for certain products. Therefore, these limitations may not apply.
