45994-0

NOV 8 1988

TERM OF ISSUANCE

NOTICE OF PESTICIDE: REGISTRATION
 REREГИSTRATION
*(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)*

NAME OF PESTICIDE PRODUCT

MR-104

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Performance Products, Inc.
4419 Kiln Court
Louisville, KY 40210

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is registered under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) (7 U.S.C. 136) and the Federal Food, Drug, and Cosmetic Act (FDCA) (21 U.S.C. 321). The registration of this product is subject to the conditions and restrictions set forth in the registration label. The registrant is responsible for ensuring that the product is used in accordance with the label directions. The Agency reserves the right to suspend or cancel the registration of this product if it is found to be inconsistent with the Act or if it is determined that the product poses a risk to human health or the environment. The Agency also reserves the right to require the registrant to provide additional information or data to support the registration of this product. The Agency will continue to monitor the use of this product and will take appropriate action if necessary to protect public health and the environment.

DANGER**

STATEMENT OF PRACTICAL TREATMENT

If product gets in eyes, flush with plenty of water for at least 15 minutes. Call a physician. In case of skin contact, wash thoroughly with soap and water. Remove and wash contaminated clothing before reuse. If product is swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or, if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes eye damage. Causes severe skin irritation. Harmful if swallowed. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling this product. Remove and wash contaminated clothing. Do not take internally.

ENVIRONMENTAL HAZARDS

Do not discharge into lakes, streams, ponds, or public waters unless in accordance with an NPDES permit. For guidance contact your Regional office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with labeling.

MB-104

is used

in commercial and industrial recirculating cooling water and potable water supply systems. It should not be used in water treatment plant preparation. Before treatment with MB-104 has begun, cooling water systems should be cleaned thoroughly to remove scale deposits. Then they should be drained, refilled with water, and treated with a dose of 2.5 to 10.0 fluid ounces of MB-104 per 1000 gallons of water in the system. Repeat until corrosion is controlled. For 0.5 to 10.0 fluid ounces per 1000 gallons of water needed. To control the growth of bacteria in industrial water systems, use 0.5 to 5.0 fluid ounces of MB-104 per 1000 gallons of water entering the system, continuously.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. **STORAGE:** Do not stack more than five drums high. Drums should be stored in a cool, dry, well-ventilated area. Leaking or damaged drums should be placed in overpacks and disposed of in a sanitary landfill. **PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. If a pesticide, spray mixture, or rinse is a violation of Federal Law, it must be disposed of by use according to label instructions, contact your State Pesticide or the Hazardous Waste representative at your EPA Regional Office. **CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then cut up, puncture and dispose of in a sanitary landfill, by incineration, or other means as directed by local authorities, by burning. If burned, stay out of smoke.
