Subject: Stabilized Chlorinating Pool Sticks
EPA Registration No. 46043-8
Application Date: September 24, and September 27, 2003
Receipt Date: February 26, and February 27, 2004

Dear Ms. McLead:

The following amendment submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable with the conditions listed below:

- Revised label

Conditions

1. Revise the Ingredient statement as follows:

Active Ingredient:

Trichloro-s-Triazinetrione*	99%
Other Ingredients	1%
Available Chlorine	90%

*Trichloroisocyanuric Acid Dry

2. The reentry language should read as: "Reentry into treated swimming pools is prohibited above levels of 3ppm of chlorine."

CONCURRENCES							
SYMBOL	7510C						
SURNAME	Mitwell						
DATE	4-27-04						

General Comments

A stamped copy of the labeling accepted with conditions is enclosed. Submit a copy of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please call Wanda Mitchell at (703) 308-6345.

Sincerely,

Emily H. Mitchell

Manufactured By:
SUNCOAST CHEMICALS COMPANY
 14480 62nd St. N. Clearwater, FL 33760
 IN CASE OF EMERGENCY 1-800-255-3924

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

DO NOT HANDLE THIS PRODUCT WITH BARE HANDS. USE GLOVES OR THOROUGHLY CLEAN, DRY UTENSILS.

DAILY

Adjust the chlorine dispensing rate of the floater or in-line feeder to provide 2.0-4.0 ppm of free chlorine residual as determined by a reliable test kit. The initial startup and weekly maintenance dosage is 1 to 3 sticks per 10,000 gallons although this dosage may vary due to unusual conditions such as heavy bather loads, wind, heavy rains, and high temperatures; therefore, frequent use of a reliable test kit is recommended. Use the test kit as a guide to maintain the pH at 7.4-7.6 and total alkalinity at 80-130 ppm. Pool chlorinating sticks are intended for use in a floater or in-line feeder only. Do not add these sticks directly to the pool or mix with any other chemicals.

Reentry into treated swimming pools is prohibited above levels of 3 ppm of chlorine.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER

CORROSIVE: Causes irreversible eye damage and skin burns. May be fatal if absorbed through skin. May be fatal if inhaled. Do not breathe dust or spray mists. Irritating to nose and throat. Harmful if swallowed. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield, protective clothing and rubber gloves when handling this product. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARD.

This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of EPA.

CHEMICALS HAZARDS: DANGER: STRONG OXIDIZING AGENT.

Use only clean, dry utensils. Mix only with water. Contamination with moisture, dirt, organic matter, or other chemicals (including other pool chemicals), or any other foreign matter may start a chemical reaction with generation of heat, liberation of hazardous gases, and possible generation of fire and explosion. Avoid any contact with flaming or burning material, such as a lighted cigarette. Do not use or mix this product with any other product or chemical, such as calcium hypochlorite. Such use may cause fire or explosion.

STORAGE

Keep product dry in a tightly closed container when not in use. Store in a cool, dry, well-ventilated area away from heat or open flames. Do not reuse empty container.

DISPOSAL

If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP (800-253-2687) for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTICE

In the event you do not use the entire contents of this package, the remainder must be stored in a child-resistant container as required by U.S. Federal Government.
