PREVENTION, PESTICIDES
AND TOXIC SUBSTANCES

August 17, 2005

Karen S. McLead
Director of Legal and Administrative Affairs
Suncoast Chemicals Company
14480 62nd Street North
Clearwater, FL 33760

Subject: Super Green Algaecide
EPA Registration Number 46043-26
Application Date: May 11, 2005
EPA Received Date: May 23, 2005

Dear Ms. McLead:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with comments:

Proposed Amendment

- Revised labeling

Conditions

1. Revise the Precautionary Statements by including the signal word "Caution" directly proceeding the word "Harmful."
2. Revise the First Aid Statements by placing the statement "Have the product container or label with you when calling a poison control center or doctor, or going for treatment." in the box above the hot line number.
3. Revise the Storage and Disposal Statement by changing the statement "Improper disposal of excess pesticide, spray, or mixture of rinsate..." to read "Improper disposal of excess pesticide, spray mixture, or rinsate..."

CONCURRENCES

SYMBOL	7510C							
IRNAME	8-17-05							
DATE	8-17-05							

2/6

General Comments

A stamped copy of the labeling accepted with conditions is enclosed. Submit three (3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling

Should you have any questions or comments concerning this letter, please contact me at 703-308-6422.

Sincerely,

Adam Heyward
Product Manager 34
Regulatory Management Branch II

SUPER GREEN ALGAECIDE
For Swimming Pools

ACTIVE INGREDIENT:

Copper as elemental*.....7.41%

INERT INGREDIENTS 92.59%

TOTAL 100.00%

This product contains 0.72 lbs. of elemental copper per gallon.

* From Mixed Copper Ethanolamine Complexes.

ACCEPTED
with COMMENTS
EPA Letter Dated:

AUG 17 2005

CAUTION

KEEP OUT OF THE REACH OF CHILDREN

See other precautions and first aid on back panel.

Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, for the pesticide,
registered under EPA Reg. No. *46043-26*

Net Contents _____

CHEMICAL HAZARDS

Do not mix this algaecide with soap or other cleaners. Do not premix with other water treating chemicals. These chemicals must be handled separately.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Dilute appropriate amount of product with at least nine parts water and pour directly into pool along the edges while the filter and pump are in operation. To allow time for even distribution on pool water, bathers must allow 10 minutes after treatment before entering pool.

INITIAL APPLICATION: (Free of Visible Algae/Start of Season): Apply 2 oz. of this product per 5,000 gallons of pool water (or equivalent) under sunny conditions for most effective results.

If Algae Growth is Visible: Apply initial dose, then vacuum pool after 24 hours to remove dead algae. If pool is heavy with algae growth, first brush algae spots, vacuum, clean and scrub the pool walls. Apply initial dose, then vacuum remaining algae debris.

MAINTENANCE DOSE: Apply 1 oz. of product per 5,000 gallons of pool water (or equivalent) every 5 to 7 days. Note: After heavy or prolonged rainfall, high prevailing temperatures, or heavy swimming use, add the maintenance dose more frequently.

PRECAUTIONARY STATEMENTS

Harmful if swallowed. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

FIRST AID	
IF SWALLOWED:	Call a poison control center immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor. Do not give anything by mouth to an unconscious person.
IF ON SKIN OR ON CLOTHING:	Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
IF IN EYES:	Hold eyelids open and rinse slowly with water for 15 to 20 minutes. Remove contact lenses if present after 5 minutes then continue rinsing eye. Call poison control center or doctor for treatment advice.
IF INHALED:	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.
Hot Line Number	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. In case of emergency, call 1-800-255-3924.	

ENVIRONMENTAL HAZARDS**[For containers less than 5 gallons]**

This pesticide is toxic to fish.

[For containers 5 gallons or greater]

This product is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

[For containers 1 gallon or less]

Do not contaminate water, food, or feed by storage or disposal. Store in original container in cool, dry place. Do not reuse empty container. Wrap and put in trash.

[For containers greater than 1 gallon]

Storage and Disposal: Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Store in original container in a locked storage area inaccessible to children and persons unfamiliar with its use.

Pesticide Disposal: Pesticide Wastes are acutely hazardous. Improper disposal of excess pesticide, spray, or mixture of rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Do not reuse empty container. Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.
