Subject: Label Amendment – Changes Required by the Inorganic Halides

Interim Registration Review Decision

Product Name: Stop Yellow

EPA Registration Number: 46043-27

Received Date: 11/12/2021 Decision Number: 579622

Dear Erika Hartman:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable. This approval does not affect any conditions that were previously imposed on this registration. You continue to be subject to existing conditions on your registration and any deadlines connected with them.

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the Registration Review of the above referenced product in connection with the Inorganic Halides Interim Registration Review Decision, and has concluded that your submission is acceptable.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. Pursuant to 40 CFR 156.10(a)(6) you must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised

Page 2 of 2 EPA Reg. No. 46043-27 Decision Number 579622

labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under FIFRA and is subject to review by the Agency. See FIFRA section 2(p)(2). If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process, FIFRA section 12(a)(1)(B). Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6. If you have any questions, please contact Erin Dandridge by phone at 202-566-0635 or via email at Dandridge.erin@epa.gov.

Sincerely,

Jose Gayoso, Senior Regulatory Advisor Reevaluation Branch Antimicrobials Division (7510P) Office of Pesticide Programs

{All text in brackets [xxx] is optional and may or may not be included on a final label.} {All text in braces {xxx} is administrative and will not appear on final label.}

STOP YELLOW®

Active Ingredient:

Sodium Bromide......99%
Other Ingredients:.....1%
Total......100%

ACCEPTED

02/12/2024

Under the Federal Insecticide, Fungicide and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No. 400 400 07

46043-27

FIRST AID				
IF INHALED:	Move person to fresh air. If person is not breathing, call 911 or an			
	ambulance, then give artificial respiration, preferably mouth—to-mouth. Call			
	a poison control center or doctor for further treatment advice.			
IF ON SKIN:	Take off contaminated clothing. Rinse skin immediately with plenty of			
	water for 15-20 minutes. Call a poison control center or doctor for			
	treatment advice.			
IF IN EYES:	Hold eye open and rinse slowly and gently with water for 15-20 minutes.			
	Remove contact lenses, if present, after the first 5 minutes, then continue			
	rinsing eye. Call a poison control center or doctor for treatment advice.			
IF	Call a poison control center or doctor immediately for treatment advice.			
SWALLOWED:	Have person sip a glass of water if able to swallow. Do not induce vomiting			
	unless told to do so by a poison control center or doctor. Do not give			
	anything by mouth to an unconscious person.			
HOTLINE NUMBER				

Have the product container or label with you when calling a poison control center [(1-800-222-1222)] or doctor, or going for treatment. [You may also contact 1-800-255-3924 for emergency medical treatment information.]

NOTE TO PHYSICIAN:

Probable mucosal damage may contraindicate the use of gastric lavage.

KEEP OUT OF THE REACH OF CHILDREN WARNING

See first aid statement and other precautions on back panel. PROLONGED EYE AND SKIN CONTACT MAY CAUSE SEVERE IRRITATION.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. All dosages are for 10,000 gallons of water. Adjust accordingly. Prior to using this product, assure water is properly balanced (pH between 7.6 and 7.8; total alkalinity between 120 and 140 ppm). This product is not for use in outdoor pools. Outdoor hot tubs and spas must be covered when not in use to prevent breakdown of the product into bromate under sunlight.

Before draining a treated [pool,] [spa,] or [hot tub] contact your local sanitary sewer and storm drain authorities and follow their discharge instructions. Do not discharge treated [pool,] [spa,] or [hot tub] water to any location that flows to a gutter, storm drain or natural water body unless discharge is allowed by state and local authorities.

BREAKOUT TREATMENT

To remove visible algae accumulations:

- 1. Brush areas affected with algae accumulations.
- 2. Add 4 oz [1 capful] of [registered product name] [this product] per 10,000 gallons close to the affected areas. For severe accumulations, add 8 oz. per 10,000 gallons.
- 3. To activate, add one of the following: 1 pound dry chlorinating compound (calcium hypochlorite or dichloroisocyanurate), [2 lbs. lithium hypochlorite (35%)], 1 gallon sodium hypochlorite (liquid chlorinating compound) 10-12%, 2 gallons sodium hypochlorite (liquid chlorinating compound) 5.25%, or 1 pound potassium monopersulfate per 10,000 gallons of water.

FOR SINGLE DOSE SIZE REPLACE #2 ABOVE WITH:

[2. Add entire contents of this packet.]

Use a suitable test kit to test for residual chlorine. Ensure that the chlorine residual is 3 ppm or lower before reentering the pool.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMAN AND DOMESTIC ANIMALS

WARNING: Harmful if swallowed, inhaled or absorbed through the skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Do not get into eyes. Do not swallow. Avoid contamination of food.

PHYSICAL OR CHEMICAL HAZARDS

Avoid contact with oxidizing agents other than as described in the directions for use. Do not directly mix this product with any other chlorinated product or other oxidizing agent.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic animals.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by the use, storage, or disposal of this product.

STORAGE: Store in original container. Store in a cool, dry place away from the reach of children. Keep container closed when not in use.

DISPOSAL:

Container Disposal: Nonrefillable container. Do not reuse or refill this container. Rinse thoroughly and securely wrap empty container in several layers of newspaper before discarding in trash, or offer for recycling, if available.

Pesticide Disposal: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes can not be disposed of by use in accordance to label instructions, contact your Regional Office of EPA for guidance.

[WARRANTY

Seller makes no warranty expressed or implied concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.]
