NOTICE OF PESTICIDE:

REGISTRATION
REREGERISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

NAME AND ADDRESS OF REGISTRANT (Include ZIP Code)

NOTE Changes in labeling, formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or its use if it has been covered by others.

NOLO BAIT FD 5000

NOLO BAIT is for use in suppressing grasshoppers and Mormon crickets. It contains a microspordial pathogen of grasshoppers. NOLO BAIT infects the fat bodies of most species of grasshoppers and some crickets. Infection and sickness to the grasshoppers from this insect pathogen begins upon ingestion of the bait by the grasshopper. Grasshopper death will begin in 3 to 6 weeks. The insect pathogen multiplies in infected grasshoppers and will pass from grasshopper to grasshopper and can remain active for several years.

NOLO BAIT FD 5000 is a freeze dried crystalline preparation of NOLO BAIT for home and garden use. For best results, apply NOLO BAIT when grasshoppers are 1/2 to 3/4 inch long.

DIRECTIONS FOR USE - HOME AND GARDEN

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

1. Do not open sealed bottle until ready to use
2. Open "Sticking Agent" and add to 1/2 cup cool water
3. Remove seal and stopper from "Grasshopper Spore" bottle. Add cool tap water to the bottle until 1/2 full. Replace stopper in bottle and shake until contents are well mixed. Pour contents of "Grasshopper Spore" bottle into cup containing "Sticking Agent" and water mixture
4. Repeat Step 3 twice to insure all of the spores have been removed from the "Grasshopper Spore" bottle
5. Pour "Bran" into mixing bowl. Lightly sprinkle contents of cup (Step 3) over "Bran" and mix in thoroughly
5. Apply by hand to the yard, garden, and surrounding areas which are infested with grasshoppers. This product treats 5,000 square feet

STORAGE AND DISPOSAL

Prohibitions

Do not contaminate water, food, or feed by storage or disposal

Storage

Store product in a cool dry area. Do not open Grasshopper Spore bottle until ready for use. Do not store mixed material

Container Disposal

Completely empty container into application equipment. Then dispose of empty container in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke

NOTICE OF WARRANTY

THE SELLER WARRANTS ONLY THAT THE GOODS SHALL ARRIVE VIABLE. THIS WARRANTY IS EXPRESSLY MADE IN LIEU OF ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR USE. IN THE EVENT OF A BREACH OF THE WARRANTY STATED HEREIN, BUYER SHALL HAVE AS A SOLE REMEDY A REPLACEMENT OF THE GOODS SOLD UPON RECEIVING PROPER NOTICE TO SELLER. NO CLAIM SHALL BE MADE FOR DAMAGES, NOR MAY ANY RECOVERY BE HAD FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES.
