Waco, Texas 76702

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the labeling changes listed below before you release the product for shipment:

a. Add the phase "EPA Registration No. 46260-37".

b. "New" can only be used for six months from the date of the Notice of Registration.

Signature of Approving Official:

Date:

294

page 2

EPA Reg. No. 46260-37

3. Submit two (2) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

NOV 30 1988

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide registered under EPA Reg. No.

46260-37

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with this labeling.

HOLD CONTAINER UPRIGHT, SHAKE WELL BEFORE USE
Adjust the sprayer nozzle to spray, not stream

FOR USE ON INDOOR HOUSEPLANTS: Such as, Dieffenbachia, Gold-Brocade Plant, Madame Butterfly, Philodendron, Purple Passion, Schefflera and Silver Tree Plant. For plants not listed, spray one or two leaves and check for plant damage.

THIS PRODUCT KILLS: Aphids, Mealybugs, Whiteflies and Spider mites and provides up to four (4) weeks of insect control.

Jobe's Indoor Plant Insect Spray is a ready-to-use product specially formulated to kill harmful insects as it cleans and shines the plant's leaves. To avoid plant damage, do not apply in full sunshine or to moisture stressed plants—water plants well before using. Prevent stains by not spraying on furniture, walls, carpets, floors or any surface except plant leaves. For best results, spray only on clean, dry plants. If leaves are dusty, wipe off with a damp cloth. From a distance of 10-12 inches, spray product lightly and evenly over both upper and lower leaf surfaces. Repeat as needed.

STORAGE AND DISPOSAL

STORAGE: Store in a cool dry area away from heat or open flame.
DISPOSAL: Wrap and discard in trash.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Avoid breathing vapors or spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food or feedstuffs.

DO NOT SPRAY PLANTS USED FOR FOOD OR FEED

STATEMENT OF PRACTICAL TREATMENT

- IF SWALLOWED:** Call a physician or Poison Control Center immediately.
- IF ON SKIN OR CLOTHING:** Remove contaminated clothing and wash before reuse. Wash skin with soap and warm water. Get medical attention if irritation persists.
- IF IN EYES:** Flush with plenty of water. Get medical attention if irritation persists.
- IF INHALED:** Remove victim to fresh air. Apply artificial respiration if indicated.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic invertebrates. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

Do not use or store near heat or open flame.
