Subject: Chlorine Liquified Gas Under Pressure
EPA Reg. No. 46266-1

Dear Ms. Dunn:

Thank you for your telephone request concerning verification of the correct registration number for the subject product.

When the registration for this product was issued on January 29, 1982, the wrong number was typed on the Registration Notice (i.e. 46265-1). Although apparently no correspondence was sent to your company acknowledging this error, our records reflected the correct registration number which is EPA Reg. No. 46266-1. By this letter, we are officially verifying that the correct registration number for this product is 46266-1.

We apologize for any inconvenience resulting from this oversight.

Sincerely,

Ruth Douglas
