Mold and Mildew Control. At 2 oz. per gallon, BRI-KLEEN will effectively inhibit the growth of mold and mildew and the odors caused by them when applied to hard, non-porous surfaces (as indicated in general instructions above). Allow to dry on surface and repeat when mildew growth returns.

Virucidal Performance. At 2 oz. per gallon use-level, BRI-KLEEN was evaluated in the presence of 5% serum and found to be effective against the Influenza A (Brazil) Virus.
