**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS
AND DOMESTIC ANIMALS**

DANGER

Corrosive Causes eye damage and skin irritation. Harmful if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Wash thoroughly with soap and water after handling. Avoid contamination of food and foodstuffs. Avoid breathing spray mist. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS This product is toxic to fish. Do not discharge into lakes, streams, ponds, or public waters unless in accordance with an NPDES permit. For guidance contact the regional office of EPA.

PHYSICAL AND CHEMICAL HAZARDS Do not use your spill or spill near heat or open flame.

DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE SOLUTION CHART*

Treatable Volume	San-Dine LF	Water
50 ppm solution	1 oz	6 1/2 gal
25 ppm solution	1 oz	13 gal
12 1/2 ppm solution	1 oz	26 gal
10 ppm solution	1 oz	32 gal
8 ppm solution	1 oz	40 gal

*Refer to use solution chart when preparing dilutions recommended in the following directions.

Always prepare fresh sanitizing solutions and use them the same day prepared. All sanitizing solutions should contact surfaces at least two minutes prior to rinsing. When circulating sanitizing solutions through CIP systems, allow at least 5 minutes contact.

No potable water rinse is required for sanitizing solutions containing 25 ppm treatable iodine or less if treated surfaces are thoroughly drained. Treatable iodine solutions above 25 ppm require rinsing.

FOOD AND BEVERAGE SANITIZATION PROCEDURES

Soft Drink Plants Thoroughly rinse bottles and the mix dispensers with water. Drain bottles and dispensers. Rinse with 25 ppm solution for 2 minutes. Rinse with potable water just before use.

175 gal.

When operation, such as the 25 ppm solution from equipment with potable water. When changing over between past drink flavors, rinse system well with water, flush with 25 ppm solution and rinse with potable water.

Sanitizing bottles and cans Prepare San-Dine LF into the full concentration of the work area washer or rinses in concentrations of 8-12 ppm treatable iodine (see solution chart).

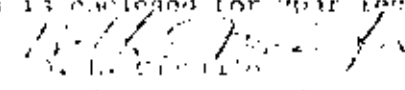

Sanitizing Storage Tanks After cleaning, use a 25 ppm solution for sanitizing beer fermentation and holding tanks. Use solution can be applied by spraying or can be used in conjunction with automated clean-in-place systems. No water rinse is required after sanitizing.

Equipment in Poultry, Meat, Rabbit, Egg Processing Plants, Piggeries and Fresh Fish Processing Plants To clean equipment, scrub surfaces with a stiff brush, sudsing, or with 50 ppm solution. Rinse with potable water. For sanitizing previously cleaned surfaces, apply 25 ppm solution by spraying, flushing, or with a clean sponge. Thoroughly wet surface and allow to thoroughly drain. No final water rinse is required.

Milk Cans and Ice Cream Processing Plants Applied routinely as a sanitizing spray (12 1/2 ppm to 25 ppm treatable iodine) on walls, conveyors, equipment and floors. San-Dine LF will reduce or eliminate bacteria in the processing area. Use on icing equipment to reduce or eliminate bacteria associated with condensation on equipment and walls. Regular use at a sanitizer of 25 ppm treatable iodine milk storage tanks for an equipment.

STORAGE AND DISPOSAL

- Prevention** - Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.
- Pesticide Disposal** - Pesticide spray mixture or residue that cannot be used or chemically processed, should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.
- Other Uses/Options**
 - Recycle container and offer for reconditioning, or
 - Triple rinse for equivalent and offer for recycling, reconditioning or disposal in approved landfill, or bury in a safe place.
- General** - Consult Federal, State or local disposal authorities for approved alternative procedures.

NAME AND ADDRESS OF REGISTRANT (Include ZIP code) <div style="border: 1px solid black; padding: 5px; width: fit-content; margin: 0 auto;"> Rainbow Chemical Products, Inc. 935 East Washington Blvd. Syracuse, NY 13208 </div>		
NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.		
On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.		
A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.		
Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.		
This product is conditionally registered in accordance with FIFRA Sec. 3(c)(1)(A) provided that you:		
<ol style="list-style-type: none"> 1. Submit and/or file all data required for registration/reregistration of your product under FIFRA Sec. 3(c)(1)(B) when the Agency requires all substances of similar products to submit such data. 2. Add the phrase "EPA Registration No. 46270-2" to your label before you release the product for shipment. 3. Submit five (5) copies of your final printed labeling before you release your product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling. 		
If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA Sec. 3(d). Your release for shipment of the product constitutes your acceptance of these conditions.		
A stamped copy of this label is enclosed for your records.
