U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Antimicrobials Division (7510P)
1200 Pennsylvania Avenue NW
Washington, D.C. 20460

EPA Reg. Number:

Date of Issuance:

46274-2

Term of Issuance:

Unconditional

Name of Pesticide Product:

Dakin's Solution® Disinfectant

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Century Pharmaceuticals, Inc.
10377 Hague Road
Indianapolis, IN 46256
Attention: Mr. Ross A. Deardorff, President

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The application referred to above, submitted under the Federal Insecticide, Fungicide and Rodenticide Act, as amended is acceptable under FIFRA sec. 3(c)(5), provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.

A stamped copy of your labeling is enclosed for your records. You must submit one (1) copy of the final printed labeling before you release the product for shipment.

Signature of Approving Official:

Demson Fuller,
Acting EPA Product Manager 32
Regulatory Management Branch II
Antimicrobials Division (7510P)

Date:

SEP 10 2013

EPA Reg. No. _____

 Monday - Friday 9 AM to 4 PM EST.

Item # 777-16 NET 473 ml (16 FL. OZ.)

Lot # _____ Not for sale or use after _____

DAKIN'S SOLUTION® DISINFECTANT for Use on Hard Surfaces to eliminate germs including Methicillin Resistant Staphylococcus aureus (MRSA), Vancomycin Resistant Enterococcus faecalis (VRE), Pseudomonas aeruginosa, Staphylococcus aureus, Salmonella enterica.

SURFACES: May be used on all hard, non-porous surfaces such as floors, walls, tables, and chairs. May be used on glass, stainless steel, vinyl, and plastics.

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Effective as a disinfectant in the presence of a 5% organic soil load. Heavily soiled surfaces must be pre-cleaned prior to disinfections.

Spray directly on hard surfaces until surface is completely wet. Allow 10-minute contact time. No rinsing is required. Wipe off the excess solution as needed.

NOTES: This product degrades with age. Discard the product after its expiration date.

PRECAUTIONARY STATEMENTS: Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using toilet. Remove and wash contaminated clothing before reuse. **Physical or chemical Hazards:** Mix with water only! Do not use this product with ammonia, acids or organic materials such as vinegar, rust removers, or toilet bowl cleaners. This product not intended for use on fabrics

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

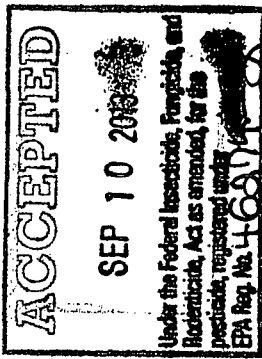

Harmful if absorbed through skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating or drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID:

External: If on Skin or Clothing: take off contaminated clothing, rinse skin immediately with plenty of water for 15-20 minutes, call a Poison Control Center or doctor for treatment advice. For eyes, hold eye open and rinse gently with water for 15-20 minutes and get immediate medical attention for further treatment advice.

Internal: Give milk, water or egg white. Do not induce vomiting. Call physician or poison control center immediately. **Inhalation:** Remove to fresh air. Get medical attention.

STORAGE AND DISPOSAL: Store this product in a cool, dry area, away from direct sunlight and heat to avoid deterioration. Non-Refillable container, do not reuse or refill this container. When discarding empty container, place in trash collection or take to recycling center. Do not contaminate water, food, or feed by storage and disposal.
